DEED OF ASSIGNMENT

WHEREAS the undersigned:

Brian H. MOORE having an address at 234 Ockenden Place, Edmonton, Alberta, Canada T6R 1K6;

Walter Jeffrey SHAKESPEARE having an address at 4769 Meadowview Drive, Macungie, Pennsylvania, U.S.A. 18062;

Phillip William WALLACE having an address at 169 Anderson Hill Road, Bernardsville, New Jersey, U.S.A. 07924;

Viet HOANG having an address at 1919 94 Street NW, Edmonton, Alberta, Canada T6N 1E6; and

Tom CLEMENT having an address at Unit 3, 1480 -- 28 Street NE, Calgary, Alberta, Canada T2A 7W6.

(collectively, the "**Inventors**")

have made or contributed to the making of a certain new and useful invention (the "**INVENTION**") as disclosed in:

United States Patent Application No. 62/087,669, entitled **OPTICAL INTERROGATOR FOR PERFORMING INTERFEROMETRY USING FIBER BRAGG GRATINGS**, filed in the United States Patent and Trademark Office on December 4, 2014; and

United States Patent Application No. 62/207,251, entitled **OPTICAL INTERROGATOR FOR PERFORMING INTERFEROMETRY USING FIBER BRAGG GRATINGS**, filed in the United States Patent and Trademark Office on August 19, 2015; and

International Patent Application No.: PCT/CA2015/051269, entitled **OPTICAL INTERROGATOR FOR PERFORMING INTERFEROMETRY USING FIBER BRAGG GRATINGS**, filed in the Canadian Receiving Office on December 4, 2015.

(collectively, the "**APPLICATIONS**");

AND, WHEREAS the Inventors made or contributed to the making of the **INVENTION** while official and/or employees of, and in conjunction with the business of:

Alberta Centre for Advanced MNT Products, a non for profit organization having an address at 1919 - 94 Street NW, Edmonton, Alberta, Canada T6N 1E6 ("**ACAMP**");

AND, WHEREAS the Inventors and ACAMP made, contributed to the making of or directed the making of the INVENTION while under contract to and/or for the benefit of

Hifi Engineering Inc., a corporation having a place of business at #2, 816 - 46th Avenue SE, Calgary, Alberta, Canada T2G 2A6 ("**HIFI**");

AND, WHEREAS HIFI is desirous of acquiring and of confirming that it has acquired all right, title and interest in the INVENTION and all other work product made by the Inventors and ACAMP in performing their obligations under contract to and/or for the benefit of HIFI (the "**WORK PRODUCT**"), including without limitation all right, title and interest in, to and under the APPLICATIONS;

NOW, THEREFORE, in consideration of the foregoing premises and for the sum of One Dollar (\$1.00) and other good and valuable consideration paid to each of the Inventors and ACAMP by HIFI (the receipt and sufficiency of which is hereby acknowledged by the Inventors and ACAMP), the Inventors and ACAMP hereby confirm that they have sold, assigned and transferred absolutely, and by these presents and by way of further assurances do hereby sell, assign and transfer absolutely to HIFI the entire right, title and interest in, to and under the INVENTION and the WORK PRODUCT in all countries and other jurisdictions of the world, including without limitation:

- (a) all right, title and interest in, to and under the APPLICATIONS, including all right, title and interest in, to and under all patents granted on or as a result of the APPLICATIONS, and any renewals, re-examinations, reissues or extensions thereof;
- (b) all right, title and interest in any and all existing or future substitute, divisional, continuation or continuation-in-part patent applications deriving directly or indirectly either in whole or in part from the APPLICATIONS, including all right, title and interest in, to and under all patents granted on or as a result of such derivative applications, and any renewals, re-examinations, reissues or extensions thereof;
- (c) the right to file additional patent or other applications on the INVENTION or any WORK PRODUCT in all countries and other jurisdictions of the world, and to do so in its own name wherever such right may be legally exercised, and all right, title and interest in, to and under all patents and other rights granted on or as a result of any such additional applications, and any renewals, re-examinations, reissues or extensions thereof;
- (d) the right to claim available benefits under the *International Convention For The Protection of Industrial Property*, and any like treaties or laws;
- (e) all additional proprietary rights and interest in, to or associated with the INVENTION or the WORK PRODUCT, including copyrights, trade secrets, data rights, utility models, personal property rights, design rights and goodwill; and

- (f) the exclusive right to bring or participate in any proceeding for past infringement or any other actionable right under all of the foregoing and to receive all remedies that arise therefrom,

the same to be owned, held and enjoyed by HIFI, its successors, assigns and legal representatives, as fully and exclusively as it would have been held and enjoyed by the Inventors and ACAMP had this sale, assignment and transfer not been made.

Each of the Inventors and ACAMP hereby agree to sign and deliver all lawful papers and to take all other lawful steps which HIFI, or its successors, assigns or legal representatives, may request to give full effect to the intention expressed in this deed and to enforce its or their rights in the INVENTION and the WORK PRODUCT against others, including, without limitation:

- (a) to promptly execute all original, substitute, divisional, reissue, continuation, continuation-in-part, extension and other patent applications on the INVENTION and WORK PRODUCT, and all lawful documents requested by HIFI, or its successors, assigns or legal representatives, to further the prosecution of any patent applications;
- (b) to co-operate to the best of their ability in the execution of all lawful documents, the production of evidence and providing any additional assistance reasonably required in any reissue, extension, nullification, impeachment or infringement proceedings involving the INVENTION or the WORK PRODUCT; and
- (c) to do such further acts and things and execute and deliver to HIFI, or its successors, assigns or legal representatives, such further instruments, specific assignments and other documents as HIFI, or its successors, assigns or legal representatives, acting reasonably, requires to vest, effect, perfect, register, record, verify, evidence, enforce or protect its or their rights and interests in the INVENTION or the WORK PRODUCT.

Each of the Inventors and ACAMP hereby agree that this assignment shall be binding upon their respective heirs, successors, assigns and legal representatives.

The undersigned hereby authorize the firm of Gowling Lafleur Henderson LLP to correct errors in this assignment or to insert any further identification or other information necessary or desirable to make this assignment suitable for recordal in any country.

This Assignment may be executed in one or more counterparts, by original signature or electronic copy thereof, each of which will be deemed to be an original, and all such counterparts will together constitute a single instrument.
