INTELLECTUAL PROPERTY AND TECHNOLOGY ASSIGNMENT

This is an Assignment, having an effective date of April 22, 2019, by and between:

Marcos Gonzalez, an individual, having an address of 6417 Odell Street, North Richland Hills, Texas 76182 (the "Assignor"); and

Signature Systems Group, LLC, a Delaware limited liability company, having its principal office and place of business at 1201 Lakeside Parkway, Suite 150, Flower Mound, Texas 75028 (the "Assignee").

Assignor owns an undivided partial interest in and to certain technology and intellectual property, including, but not limited to, as described in the applications and patents identified on Schedule A hereto (the "Intellectual Property"). Assignee is desirous of acquiring all right, title and interest in and to the Intellectual Property.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and does hereby sell, assign, transfer and set over to Assignee all of Assignor's right, title and interest in and to the Intellectual Property and all intellectual property rights associated therewith, including, but not limited to, all works of authorship, text, graphics, drawings, plans, computer code and mask works, whether copyrightable or not; all trade secrets, confidential information, technical and non-technical know-how associated or utilized in conjunction with the Intellectual Property together with any patent applications including the same for the United States and all foreign countries and any Letters Patent that may issue therefor in the United States and any foreign countries, together with all divisions, reissues, continuations, applications or patents claiming the benefit thereof, renewals, and extensions thereof including all priority rights under the International Convention associated therewith; the same to be held and enjoyed by Assignee for its own use and enjoyment, and for the use and enjoyment of its successors, assigns and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made, for the use and benefit of its successors, assigns or other legal representatives.

Assignor agrees that it, and its legal representatives or other persons duly authorized, will communicate to Assignee or the representatives thereof any facts known to it respecting said Intellectual Property and will, upon request, testify in any legal proceedings, sign all lawful papers, make all rightful oaths, and generally do all other and further lawful acts, deemed necessary or expedient by Assignee or by counsel for Assignee, to assist or enable Assignee to obtain and enforce full benefits from the rights and interests herein assigned. This assignment shall be binding upon Assignor's successors and assigns and shall inure to the benefit of the successors and/or assigns of Assignee.

Assignor represents that it has sole, exclusive, valid and unencumbered title to its interest in the Intellectual Property, and will convey title that is clear of any liens, mortgages, security interests, licenses or other agreements or encumbrances thereon or thereto. Assignor further agrees to waive all rights and privileges to attack the utility, novelty or validity of any or all of any patents included in or which issue from said Intellectual Property or the validity of any other intellectual property rights associated with the Intellectual Property which Assignor has assigned as against anyone claiming a right under any or all of the aforementioned rights under Assignor's assignment or grant.

This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one instrument.

IN TESTIMONY WHEREOF, the parties hereto have caused these presents to be executed by their officers duly appointed at the respective locations identified herein.

INTELLECTUAL PROPERTY AND TECHNOLOGY ASSIGNMENT

This is an Assignment, having an effective date of April 22, 2019, by and between:

Chad H. Jones, an individual, having an address of 1462 Coldstone Drive, Frisco, Texas 75034 (the "Assignor"); and

Signature Systems Group, LLC, a Delaware limited liability company, having its principal office and place of business at 1201 Lakeside Parkway, Suite 150, Flower Mound, Texas 75028 (the "Assignee").

Assignor owns an undivided partial interest in and to certain technology and intellectual property, including, but not limited to, as described in the applications and patents identified on Schedule A hereto (the "Intellectual Property"). Assignee is desirous of acquiring all right, title and interest in and to the Intellectual Property.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and does hereby sell, assign, transfer and set over to Assignee all of Assignor's right, title and interest in and to the Intellectual Property and all intellectual property rights associated therewith, including, but not limited to, all works of authorship, text, graphics, drawings, plans, computer code and mask works, whether copyrightable or not; all trade secrets, confidential information, technical and non-technical know-how associated or utilized in conjunction with the Intellectual Property together with any patent applications including the same for the United States and all foreign countries and any Letters Patent that may issue therefor in the United States and any foreign countries, together with all divisions, reissues, continuations, applications or patents claiming the benefit thereof, renewals, and extensions thereof including all priority rights under the International Convention associated therewith; the same to be held and enjoyed by Assignee for its own use and enjoyment, and for the use and enjoyment of its successors, assigns and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made, for the use and benefit of its successors, assigns or other legal representatives.

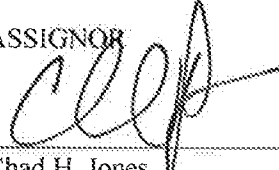

Assignor agrees that it, and its legal representatives or other persons duly authorized, will communicate to Assignee or the representatives thereof any facts known to it respecting said Intellectual Property and will, upon request, testify in any legal proceedings, sign all lawful papers, make all rightful oaths, and generally do all other and further lawful acts, deemed necessary or expedient by Assignee or by counsel for Assignee, to assist or enable Assignee to obtain and enforce full benefits from the rights and interests herein assigned. This assignment shall be binding upon Assignor's successors and assigns and shall inure to the benefit of the successors and/or assigns of Assignee.

Assignor represents that it has sole, exclusive, valid and unencumbered title to its interest in the Intellectual Property, and will convey title that is clear of any liens, mortgages, security interests, licenses or other agreements or encumbrances thereon or thereto. Assignor further agrees to waive all rights and privileges to attack the utility, novelty or validity of any or all of any patents included in or which issue from said Intellectual Property or the validity of any other intellectual property rights associated with the Intellectual Property which Assignor has assigned as against anyone claiming a right under any or all of the aforementioned rights under Assignor's assignment or grant.

This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one instrument.

IN TESTIMONY WHEREOF, the parties hereto have caused these presents to be executed by their officers duly appointed at the respective locations identified herein.
