ASSIGNMENT

WHEREAS, I, the undersigned inventor (or one of the undersigned joint inventors), of residence as listed, having invented certain new and useful improvements as below entitled, for which application for United States Letters Patent is made.

WHEREAS, C&M Machines LLC, a limited liability company organized and existing under the laws of the State of South Carolina, with a place of business at 521 North Avenue, Rock Hill, South Carolina 29732, is desirous of acquiring my entire right, title and interest in and to the said invention, and to the said application entitled **NEGATIVE TILTING SQUAT MACHINE** and any Letters Patent that may issue thereon, as well as to U.S. Provisional Application No(s). 62/661,115, filed April 23, 2018 entitled **NEGATIVE TILTING SQUAT MACHINE**;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I hereby sell and assign unto the said C&M Machines LLC, its successors and assigns, my entire right, title and interest in and to the said invention and in and to the said application(s) and all patents which may be granted therefor, and all divisions, reissues, substitutions, continuations, and extensions thereof; and I hereby authorize and request the Patent and Trademark Office to issue all patents for said invention, or patents resulting therefrom, to the said C&M Machines LLC, as assignee of my entire right, title and interest.

I also hereby sell and assign to C&M Machines LLC, its successors and assigns, my corresponding rights to the invention disclosed in said application in all other countries of the world, including the right to claim priority, file applications and obtain patents under the terms of the Paris Convention for the Protection of Industrial Property, and further agree to execute any and all patent applications, assignments, affidavits, and any other papers in connection therewith necessary to perfect such rights.

I hereby further agree that I will communicate to said C&M Machines LLC, or to its successors, assigns, and legal representatives, any facts known to me respecting said invention, and at the expense of said assignee company, testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, reissue and substitute applications, make all lawful oaths, and generally do everything possible to aid said C&M Machines LLC, its successors, assigns and nominees to obtain and enforce proper patent protection for said invention in all countries.

I authorize the later insertion of any related application number and filing date hereinbelow, which claims priority to the above provisional application.

IN WITNESS WHEREOF, I hereunto set hand and seal this day and year;
