RELEASE OF INTELLECTUAL PROPERTY SECURITY INTERESTS

This Release of Intellectual Property Security Interests ("Release") is granted and conveyed as of December 7, 2018 by PNC Bank, National Association ("Secured Party"), in favor of Bell and Howell, LLC, a Delaware limited liability company ("Grantor").

WHEREAS, prior to the date hereof, Grantor granted to the Secured Party certain Security Interests (as defined below) in intellectual property.

WHEREAS, the United States Patent and Trademark Office ("PTO") recorded the Security Interests comprised of Patents (as defined below) on September 4, 2015 at Reel/Frame 36552/0376.

WHEREAS, the United States Copyright Office ("USCO") recorded the Security Interests comprised of Copyrights (as defined below) on August 23, 2013 at Volume V3628 D098 P1-41.

WHEREAS, Grantor has requested that Secured Party terminate, release and reassign its Security Interests in all right, title and interest of Secured Party in, to and under all of the: (i) Patents more fully identified in Schedule A ("Patents") attached hereto and made a part hereof and (ii) Copyrights more fully identified in Schedule B ("Copyrights") attached hereto and made a part hereof, in each case, together with the goodwill of the business symbolized thereby.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which the parties acknowledge, Grantor and Secured Party hereby agree as follows:

All of Secured Party's security interests, liens, pledges, mortgages, and other encumbrances of any kind whatsoever created against the Patents and Copyrights (collectively, the "Security Interests") are hereby automatically terminated, released and discharged, and the Secured Party shall sign any additional termination documents reasonably requested by Grantor at Grantor's cost and expense, including filings with the PTO and USCO against the Patents and Copyrights, as shall be necessary to effect the termination, release and discharge of all of the Security Interests, each at Grantor's cost and expense.

If and to the extent that Secured Party has acquired any right, title or interest in or to any of the Patents and Copyrights, it hereby assigns and transfers such rights, title or interest to Grantor, along with any goodwill in the Patents and Copyrights that the Secured Party may have acquired.

This Release shall be governed by the laws of the State of New York. This Release shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. This Release may be executed in any number of separate counterparts, each of which shall, collectively and separately, constitute one and the same instrument, and any signature page delivered by electronic transmission shall have same effect as the delivery of an original thereof. EACH PARTY TO THIS RELEASE HEREBY EXPRESSLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS RELEASE MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION WITH ANY COURT
