EXHIBIT C

ASSIGNMENT OF PATENTS (SHAMOONS)

In exchange for the consideration set forth in the Settlement Agreement and Mutual Release, including but not limited to the dismissal of the Civil Action and the assignment of certain patent rights by the Turkows, Charles Shamoon and Deborah Shamoon (the "Assignors") hereby assign and transfer to Ubiquitous Connectivity, LP (the "Assignee"), all right, title and interest throughout the world that they have or may have in and to the Patents, as that term is defined in Exhibit 1 to this Assignment of Patents. Assignors further agree without additional compensation to sign such further assignments or other lawful documents as may be reasonably requested by the Assignee to effectuate fully this Assignment of Patents (the "Assignment").

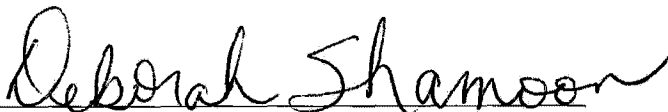

And for the same consideration, Assignors sell, transfer and assign to Assignee all rights to proceeds of the Patents, including, without limitation, any claim for damages against third parties for past, present, or future infringement of the Patents together with all rights to sue for and collect the same (subject to the terms of any contractual obligation of Assignee with respect to distribution of proceeds from the Patents).

Assignors covenant that they have the full right to convey the entire interest assigned, and that they have not executed, and will not execute, any agreement in conflict with this Assignment.

SIGNED this the 9th day of MARCH, 2012.

Charles Shamoon

Deborah Shamoon
