A S S I G N M E N T

Whereas we,

- (1) Mark S. O'Hare; and
- (2) Rick L. Orsini

residing respectively at

- (1) 8 Kennedy Court, Coto De Caza, California 92679; and
- (2) 2100 Kings Forest Lane, Flower Mound, Texas 75028;

have made an invention entitled:

GATEWAY FOR CLOUD-BASED SECURE STORAGE

and have made applications for United States Letters Patent therefor, the same having been filed in the United States Patent and Trademark Office on November 23, 2015, as United States patent application No. 14/949,370, United States patent application No. 14/949,519, and PCT application No. PCT/US2015/062188; and

WHEREAS, SECURITY FIRST CORP., a corporation organized and existing under the laws of the State of Delaware and having an office and place of business at 29811 Santa Margarita Parkway, Suite 600, Rancho Santa Margarita, California 92688, is desirous of acquiring the entire interest in said invention, said United States patent application and in any Letters Patent which may issue thereon;

NOW, THEREFORE, be it known that for and in consideration of the sum of One Dollar (\$1.00) paid to each of us, and other good and valuable consideration, the

receipt and sufficiency of which is hereby acknowledged, we do hereby sell, assign and transfer unto the said SECURITY FIRST CORP., its successors, assigns and legal representatives, all right, title and interest in and to said invention and any improvements thereon for all countries of the world, and in and to said United States patent applications, including any continuations and divisions thereof, and any substitute applications therefor, and any patents which may issue thereon, and any reissues of the same, and including the right to claim priority under the International Convention based on said patent applications; and all right, title and interest in and to every patent application filed or to be filed on said invention in any other country, including renewals, revivals, continuations and divisions thereof, and any substitute applications therefor, and any and all patents which may issue thereon, and any reissues and extensions of the same; and we hereby authorize and request competent authorities to grant and issue any and all patents on said invention to the said SECURITY FIRST CORP., as the assignee of the entire interest therein; and we further agree to execute upon request of the assignee such additional documents, if any, as are necessary and proper to secure patent protection on said invention throughout all countries of the world, and to otherwise give full effect to and perfect the rights of the assignee under this Assignment.

IN TESTIMONY WHEREOF, we have hereunto signed our names on the dates indicated hereinafter.
