RELEASE OF SECURITY INTEREST IN PATENTS

This **RELEASE OF SECURITY INTEREST IN PATENTS**, dated as of April 24, 2015 (this "Release"), is made by **JPMORGAN CHASE BANK, N.A.** (the "Assignor"), in its capacity as collateral agent, in favor of **RIVERBED TECHNOLOGY, INC.**, a Delaware corporation (the "Assignee"). Capitalized terms used but not defined herein shall have the meanings set forth in the Guarantee Agreement (as defined below).

W I T N E S S E T H:

WHEREAS, the Assignor and the Assignee are parties to (i) that certain Guarantee and Collateral Agreement, dated as of December 20, 2013 (as amended, amended and restated, extended, supplemented or otherwise modified from time to time, the "Guarantee Agreement") and (ii) that certain Patent Security Agreement, dated as of December 20, 2013 (the "Patent Security Agreement");

WHEREAS, pursuant to the Guarantee Agreement and the Patent Security Agreement, the Assignee granted to the Assignor, for the benefit of the Secured Parties, a continuing security interest in all of the Assignee's right, title and interest in or to any and all Patents, including those listed on Schedule 1 hereto, and all Proceeds of any of the foregoing, in each case, now owned or at any time hereafter acquired by the Assignee or in which the Assignee now has or at any time in the future may acquire any right, title or interest (collectively, the "Patent Collateral");

WHEREAS, the Patent Security Agreement was recorded with the United States Patent and Trademark Office on December 27, 2013, on Reel 032421, Frame 0162;

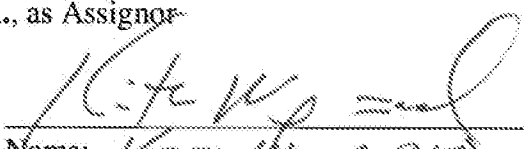

WHEREAS, the Assignee desires that the Assignor terminate and release its continuing security interest in all of the Assignee's right, title and interest in or to the Patent Collateral.

NOW THEREFORE, in consideration of the premises, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor hereby (i) terminates, releases and discharges fully, without representation, warranty or recourse of any kind, its continuing security interest in the Assignee's right, title and interest in or to the Patent Collateral; (ii) reassigns and transfers to the Assignee all right, title and interest that the Assignor may have in the Patent Collateral; (iii) absolutely, unconditionally and irrevocably terminates the Guarantee Agreement and the Patent Security Agreement, other than, in each case, the terms and obligations that expressly survive the termination thereof; and (iv) agrees to execute all other documents and to do all other acts reasonably necessary to relinquish and effect the release of its security interest in the Patent Collateral to the Assignee and effect any other actions or agreements contemplated hereby.

The Assignor hereby authorizes the Assignee, or the Assignee's authorized representative, to file, and requests that the United States Patent and Trademark Office record, this Release and any other filings necessary to evidence the release and termination of the Assignor's security interest in the Patent Collateral.

IN WITNESS WHEREOF, this Release of Security Interest in Patents has been duly executed as of the date first written above.

JPMORGAN CHASE BANK,
N.A., as Assignor
