ASSIGNMENT

Attorney Docket No. 60746US01

Serial No.: TBD

Filing Date: TBD

Inventor: James Clemans

In consideration of One Dollar (\$1.00) and other good and valuable considerations in hand paid, the receipt and sufficiency whereof are hereby acknowledged, the undersigned hereby assigns to Advanced Drainage Systems, Inc., having a place of business at 4640 Trueman Blvd., Hilliard, OH 43026, and its successors and assigns, the entire right, title and interest in the invention or improvements of the undersigned disclosed in a U.S. patent application entitled METHOD FOR CONNECTING PIPING PIECES and identified as File No. 60746US01 in the offices of McANDREWS, HELD & MALLOY, LTD., and in said applications and any and all other applications, both United States and foreign, which the undersigned may file, either solely or jointly with others, on said inventions or improvements, and in any and all Letters Patent of the United States and foreign countries, which may be obtained on any of said applications, and in any continuation, continuation-in-part, divisional, re-examination, reissue or extension of such applications or patents, and further assigns to said assignee the priority right provided by the International Convention.

The undersigned hereby authorize and request the Commissioner of Patents and Trademarks to issue a Letters Patent for the above-referenced applications to said assignee.

The undersigned warrant to be the owners of the entire right, title and interest in said inventions or improvements and to have the right to make this assignment, and further warrant that there are no outstanding prior assignments, licenses, or other encumbrances on the interest herein assigned.

For said considerations the undersigned hereby agree, upon the request and at the expense of said assignee, its successors and assigns, to execute any and all continuation, continuation-in-part, divisional, re-examination, extension and substitute applications for said inventions or improvements, and any necessary oath, affidavit or declaration relating thereto, and any application for the reissue, re-examination or extension of any Letters Patent that may be granted upon said applications, and any and all applications and other documents for Letters Patent in foreign countries on said invention or improvements, that said assignee, its successors or assigns may deem necessary or expedient, and for the said considerations the undersigned authorize said assignee to apply for patents for said invention or improvements in its own name in such countries where such procedure is
