ASSIGNMENT

For good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, I, **Jason Wong**, of **6310 San Vincente Blvd, Ste. 320, Los Angeles, CA 90048** ("Assignor") the undersigned hereby:

Sell, assign and transfer to **Omnicharge Inc.**, a corporation organized and existing under the laws of the State of Delaware with principal offices located at **5055 Wilshire Blvd., Suite 835, Los Angeles, CA 90038** ("Assignee"), its successors, assigns and legal representatives, all hereinafter referred to as said Assignee, the entire right, title and interest for the United States and all foreign countries, in and to any and all inventions which are disclosed in the applications listed in the attached **Schedule A** and in and to said applications and all continuing, divisional, continuation-in-part, substitute, renewal, reissue and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on said any and all inventions; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said any and all inventions including the right to apply for patent rights in each foreign country and all rights to priority; and further including any right to sue for past infringement;

Assignor hereby acknowledges that this assignment, being of Assignor's entire right, title and interest in and to said invention(s), applications and patents carries with it the right in Assignee to apply for and obtain from competent authorities in all countries of the world any and all patents by attorneys and agents of Assignee's selection and the right to procure the grant of all patents to Assignee in its own name as assignee of Assignor's entire right, title and interest therein;

AND, Assignor does hereby authorize and request the Director of the United States Patent and Trademark Office and the empowered officials of all other governments to issue such Patent Rights or patents as shall be granted upon said Patent Rights, or applications based thereon, to said Assignee, its successors, assigns, or legal representatives.

Assignee and Assignor also agree that multiple copies of this Assignment may be executed, each of which shall be deemed an original, and each of which shall be valid and binding upon Assignee and Assignor.

Assignee shall bear all responsibility and expense for preparing any instrument of assignment or transfer from Assignor to Assignee and for recording the same, any fee or tax levied thereon, and all prosecution and maintenance costs incurred with respect to the Patents.

IN WITNESS WHEREOF, Assignor and Assignee have caused this Assignment to be executed as of the below date(s).
