ASSIGNMENT

Application Number: 29/688,976

Filing Date: April 25, 2019

Inventors: Brandon Brodie

Micah Brown

Assignee: Annihilator Broadheads, LLC, an Idaho Limited Liability Company, having a principal place of business at 534 N Bursera Way Eagle, ID 83616

Whereas, I, the above-identified Inventor, have invented certain new and useful improvements in: Broadhead (hereinafter referred to as the "Invention") for which I have made an application for Letters Patent in the United States of America, the Application Number and Filing Date for which are listed above;

And, whereas I desire to assign a one-hundred percent (100%) undivided interest in said Invention, said application disclosing the Invention and any Letters Patent which may be granted therefore to the above-identified Assignee, and whereas said Assignee is desirous of acquiring the entire right, title and interest in the same;

Now, this indenture witnesseth, that for good and valuable consideration, the receipt whereof is hereby acknowledged;

I hereby assign, sell and transfer a one-hundred percent (100%) undivided interest in said Invention, said application, including any applications this application claims priority from, non-provisionals, divisions, continuations, and continuations-in-part thereof, and in and to any and all Letters Patent of the United States, and countries foreign thereto, which may be granted for said Invention, and in and to any and all priority rights, Convention rights, and other benefits accruing or to accrue to me with respect to the filing of applications for patents or securing of patents in the United States and countries foreign thereto, unto said Assignee;

And I hereby authorize and requests the Director of the United States Patent and Trademark Office to issue said United States Letters Patent to said Assignee, as assignee of the whole right, title and interest thereto;

And I further agree to execute all necessary and lawful future documents, including assignments in favor of Assignee, or its designees as Assignee or its Assignees may from time-to-time present to me in order to perfect title in said Invention, modifications, and improvements in said Invention, applications and Letters Patent of the United States and countries foreign thereto;

And I further agree to sign and properly execute such necessary and lawful papers for application for foreign patents, for filing divisions, continuations and continuations-in-part of said application for patent, and/or, for obtaining any reissue or reissues of any Letters Patent which may be granted for my aforesaid Invention, as the Assignee thereof shall hereafter require and prepare at its own expense.
