Application Number 15/841,557
☐ for which an application for a United States Letters Patent was executed by me on _____
and _____

Whereas, Feedback, LLC
a corporation of California herein referred to as "assignee" whose mailing address is
119 Independence Drive, Menlo Park, California 94025
is desirous of acquiring the entire right, title and interest in the same;

NOW, THEREFORE, in consideration of the sum of one dollars (\$ 1.00), the receipt whereof
is acknowledged, and other good and valuable consideration, I as assignor hereby sell, assign and set over to said
assignee the entire right, title and interest for the United States of America and all other countries in and to said
invention and the aforesaid utility patent application and all original, divisional, continuation, continuation-in-part,
substitute or reissue applications and patents applied for or granted therefor in the United States of America and all
other countries, for said invention, including without limitation all applications and patents for said invention claiming
priority or benefit of the aforesaid utility application pursuant to any law or treaty, and including the right to claim
such priority or benefit and the Commissioner of Patents and Trademarks is hereby authorized and requested to
issue all patents on said improvements or resulting therefrom to said assignee herein, as assignee of the entire
interest therein, and the undersigned for me and my legal representatives, heirs and assigns do hereby agree and
covenant without further remuneration, to execute and deliver all original, divisional, continuation, reissue and other
applications for Letters Patent on said improvements and all assignments thereof to said assignee or its assigns, to
communicate to said assignee or its representatives all facts known to the undersigned respecting said
improvements, whenever requested, to testify in any interferences or other legal proceedings in which any of said
applications or patents may become involved, to sign all lawful papers, make all rightful oaths, and to do generally
everything necessary to aid assignee, its successors, assigns and nominees to obtain patent protection for said
improvements in all countries, the expenses incident to said applications to be borne and paid by said assignee.

I, as assignor, hereby assign to said assignee all of my right, title and interest in United States Provisional
Application No. 62/434,595, filed December 15, 2016, and in the invention disclosed thereto in all countries of
the world including the right to claim priority or benefit of said Application No. 62/434,595 pursuant to any law or
treaty in the countries of the world.

And I do hereby authorize my attorneys to insert on this deed the filing date and application number of said
