ASSIGNMENT

In consideration of One Dollar, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, Souheil Benzerrouk, residing at 7 Jennys Hill Road, Windham, NH 03087, hereby sell and assign to Canopus Water Technologies, Inc., a New Hampshire corporation having a principal place of business at 7 Jennys Hill Road, Windham, NH 03087, its successors and assigns, the entire right, title and interest, including all rights of trade secret and copyright, in all works associated therewith, along with the right to claim priority under the International Convention, throughout the United States, its territories and all foreign countries and all rights to recover for prior infringement occurring prior to the date of this assignment, in and to my invention in

A WATER DISINFECTION CHAMBER AND SYSTEM WITH UV LEDS

and the application for United States Letters Patent therefore filed on May 23, 2018, Serial No. 15/987,147 and such patents as may issue thereon, and all divisions, reissues and continuations thereof.

And I hereby covenant that I have full right to make such assignment, and agree for myself and my executors and administrators that I will, at the expense of said Canopus Water Technologies, Inc., execute all applications for patents in foreign countries, execute all divisional, continuing, reissue and re-examination applications, execute all applications for copyright registration, make all rightful oaths, sign all lawful papers, testify in any proceeding in which said invention or any application or patent directed thereto may be involved, and generally do everything possible to aid said Canopus Water Technologies, Inc., its successors and assigns, to obtain and enforce proper patent and copyright protection for said invention in the United states, its territories and all foreign countries.

And I hereby authorize and request the Commissioner of Patents and Trademarks of the United States to issue all Letters Patent on said invention or resulting therefrom to Canopus Water Technologies, Inc., its successors and assigns.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my seal.
