**ASSIGNMENT OF PATENT RIGHTS BY JOHN W. PIASECKI**

Whereas, John W. Piasecki of Bryn Mawr, Pennsylvania, intends to assign all of his right, title and interest in the inventions known as "Modular and Morphable Air Vehicle," including U.S. Provisional Patent Applications 61/345,535 and 61/416,965 filed May 17, 2010 and November 24, 2010 respectively, and any U.S., international and foreign patent rights in the above inventions to Piasecki Aircraft Corp., of Essington, PA.

Now, therefore, for good and valuable consideration, the receipt of which is acknowledged and intending to be legally bound, John W. Piasecki, does sell, assign and transfer to the Assignee, Piasecki Aircraft Corp., the full and exclusive right to the invention known as "Modular and Morphable Air Vehicle," including U.S. Provisional Patent Applications 61/345,535 and 61/416,965 filed May 17, 2010 and November 24, 2010 respectively, in the United States and foreign countries and the entire right, title and interest in and to any and all patents that may be granted for the Modular and Morphable Air Vehicle in the United States and foreign countries, including all patents issued on the above invention and upon any utility patent applications, divisional and continuation applications. I hereby request that the Director of the U.S. Patent and Trademark Office and of any foreign patent office issue said patent(s) to the Assignee, as fully and entirely as the same would have been issued to me had this assignment not been made.

Executed this 13<sup>th</sup> day of May, 2011.
