## PATENT ASSIGNMENT

THIS PATENT ASSIGNMENT (the "Assignment") is made and entered into this 3<sup>rd</sup> day of November, 2017 by Wm. Wright Co., a Delaware corporation ("Assignor") in favor of Stitch Acquisition Corp., a Delaware Corporation ("Assignee").

### W I T N E S S E T H:

WHEREAS, Assignor is the sole and exclusive owner of all right, title and interest in and to the patents and patent applications identified in Schedule A (hereinafter, the "Patents");

WHEREAS, Assignor and Assignee are parties to an Asset and Securities Purchase Agreement, dated as of November 3, 2017 (the "ASPA"), by and among Assignor, Assignee and the other parties listed thereto, pursuant to which Assignor agrees to assign to Assignee its title, rights and interest in and to certain assets, including the Patents; and

WHEREAS, Assignor and Assignee wish to document the formal assignment to Assignee of Assignor's title, interest and rights in and to the Patents.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound, Assignor and Assignee hereby agree as follows:

1. Assignor does hereby assign and transfer to Assignee, its successors and assigns, the entire right, title and interest in and to the Patents and to the inventions disclosed therein, including all divisions, continuations, reissues, re-examinations and extensions of the Patents, and all causes of action relating to enforcement of any of the Patents, including with respect to claims or causes of action arising from activities which precede the date of this assignment.
2. Assignor shall cooperate with Assignee at Assignee's expense in any action Assignee reasonably requests that Assignor take in order to effectuate, carry out, or fulfill Assignor's obligations hereunder, including, without limitation, the execution of any instruments and papers that are necessary or desirable, in Assignee's reasonable discretion, to consolidate, confirm, vest and/or record Assignee's full and complete ownership of the Patents with, for example, any inventor, or with the U.S. Patent and Trademark Office or equivalent foreign offices.
3. This Assignment shall inure to the benefit of Assignee and its successors and assigns and shall be binding upon Assignor and its successors and assigns.
4. This Assignment and any claim or controversy hereunder shall be governed by and construed in accordance with the laws of the State of Delaware without giving effect to the principles of conflict of laws thereof. If any provision of this Assignment shall be deemed invalid or unenforceable by any court of competent jurisdiction, then such portion shall be deemed severed, and the remainder thereof shall be enforceable in accordance with its terms.

5. This Assignment, together with the ASPA, contains the entire undertaking of Assignor with respect to the subject matter hereof, and merges and supersedes all prior and contemporaneous discussions, agreements and understandings of Assignor and Assignee relating to the subject matter hereof. In the event of any conflict between the terms of this Assignment and the terms of the ASPA, the terms of the ASPA shall control.

[Signature page follows.]

IN WITNESS WHEREOF, Assignor has duly executed this Assignment as of the date first above-written.

WM WRIGHT CO.

By: [Signature]  
Name: Sue Buchta  
Title: Director

**ACKNOWLEDGMENT**

STATE OF Illinois :  
COUNTY OF DuPage : ss.
