Attorney Docket No.

M297.2566US3

WHEREAS, we, Seula Choi of Seoul, Republic of Korea; Brandon D. Leverson of Bismarck, North Dakota, USA; and Martin Miller of Fargo, North Dakota, USA (hereinafter referred to as ASSIGNORS), have invented certain new, original and ornamental design as described in an application entitled SMALL ARTICULATED LOADER for Design Letters Patent, the application having been executed on even date herewith, and/or being identifiable in the United States Patent and Trademark Office by Application No. 29/681,120, filed FEBRUARY 22, 2019; and

WHEREAS, Clark Equipment Company (hereinafter referred to as ASSIGNEE), a corporation organized and existing under the laws of the State of Delaware, and having offices at 250 East Beaton Drive, West Fargo, North Dakota, 58078-6000, is desirous of acquiring the entire right, title and interest in and to the invention, the application and any and all Letters Patent(s) or similar legal protection, foreign or domestic, to be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, we transfer to Assignee, its successors and assigns, our entire right, title and interest in and to the design, the above-identified application(s), corresponding domestic and foreign applications claiming rights or benefits to the above-identified application(s) including non-provisional applications, continuation applications, continuing applications, divisional applications, reissue applications, reexamination applications and continuation-in-part applications, all Design Letters Patent(s) or similar legal protection issuing thereon, and all rights and benefits under any applicable treaty or convention, including all rights of priority; and we authorize the Director of the United States Patent and Trademark Office or foreign equivalent thereof to issue the Design Letters Patent or similar legal protection to the Assignee.

We authorize the Assignee, its successors and assigns, to insert in this instrument the filing date and serial number of the application when ascertained.

We authorize the Assignee, its successors and assigns, or anyone it may properly designate, to apply for Design Letters Patent or similar legal protection, in its own name if desired, in any and all foreign countries.

We represent to the Assignee, its successors and assigns, that we have not and shall not execute any writing or do any act whatsoever conflicting with this Assignment. We, our executors or administrators, will at any time upon request, without additional consideration, but at the expense of the Assignee, its successors and assigns, execute such additional writings and do such additional acts as the Assignee, its successors and assigns, may deem desirable to perfect its enjoyment of this grant, and render all assistance in making application for and obtaining, maintaining, and enforcing the Design Letters Patent or similar legal protection on the design in any and all countries.
