hereby sell, assign, and transfer unto **FRANCOTYP-POSTALIA GMBH**, Prenzlauer Promenade 28 13089 Berlin, Germany, a German corporation, the whole right, title and interest in and to a certain invention or improvement in:

GOODS PROCESSING APPARATUS

disclosed in an application for Letters Patent of the United States, prepared by the firm of Schiff Hardin LLP of Chicago, Illinois, and executed herewith, said application being identified in the office records of said firm as Case No. **26988-0228 (P19,0016)**, and in our own records as Case No. **3302-US**, said application being identified in the records of the United States Patent and Trademark Office as

U.S. Application No. _____, filed _____, and

in and to the United States Letters Patent therefor, when issued, together with all improvements thereon and betterments thereof, all divisions, continuations and reissues thereof and substitutions of or for said application, and all rights and privileges under the Letters Patent that may be granted therefor, including the right to claim the benefit of an earlier filing date for the same invention in a foreign country.

I hereby authorize and request the Commissioner of Patents to issue the Letters Patent that may be granted for said invention or improvements to said **FRANCOTYP-POSTALIA GMBH**, Prenzlauer Promenade 28 13089 Berlin, Germany.

For the same consideration, I hereby agree that I will promptly communicate to the aforesaid assignee or its assigns full and complete information concerning said improvements or betterments of the inventions disclosed in said application, and will cooperate at any time upon request of said assignee or its assigns, at its expense, in the procurement of patent protection to cover the inventions herein assigned and to be assigned, including the execution of new divisional, continuing and reissue applications; will make all rightful oaths, will testify in any proceedings in the United States Patent Office or in the Courts, and generally will do everything lawfully possible to aid said assignee, its successors, assigns and nominees to obtain, enjoy and enforce proper patent protection for the inventions embraced within the terms of this document.

The above-identified application was made or authorized to be made by me.

I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

I hereby authorize and request the Assignee's legal representative(s), associated with Customer Number 26574, to insert on the designated lines above, the filing date and application number, as applicable, of the patent application should this document be filed after the filing of the patent application.
