ASSIGNMENT

WHEREAS, I, the undersigned inventor (or one of the undersigned joint inventors), of residence as listed, having invented certain new and useful improvements as below entitled ("the invention"), for which application for United States Letters Patent is made, the application having been executed on the date set forth below; and

WHEREAS, Trover Group Inc., a corporation organized and existing under the laws of the State of Texas, with its principal office at 10750 Forest Lane, Dallas, TX, is desirous of acquiring my entire right, title, and interest in and to the invention, and to the application and any Patent that may issue thereon;

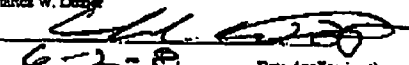

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I hereby sell, transfer, and assign to Trover Group, its successors and assigns, my entire right, title and interest in and to the invention and in to the application and all patents which may be granted therefor, and all divisions, reissues, substitutions, continuations, and extensions thereof; and I hereby authorize and request the Commissioner of Patents and Trademarks to issue all patents for the invention, or patent resulting therefrom, insofar as my interest is concerned, to Trover Group, as assignee of my entire right, title and, interest.

I also hereby sell and assign to Trover Group, its successors and assigns, my foreign rights to the invention, in all countries of the world, including but not limited to the right to file applications and obtain patents under the terms of the International Convention for the Protection of Industrial Property, and of the European Patent Convention, and I further agree to execute any and all patent applications, assignments, affidavits, and any other papers in connection therewith necessary to obtain and perfect such patent rights.

I hereby further agree that I will communicate to Trover Group, or to its successors, assigns, and legal representatives, any facts known to me respecting the invention, and at the expense of Trover Group, will testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, reissue, and substitute applications, make all lawful oaths, and generally do everything possible to aid Trover Group, its successors, assigns and nominees to obtain and enforce proper patent protection for the invention in all countries.

I further agree that I have full right to convey all interests that I have herein assigned, and further that I have not executed, and will not execute, any agreement in conflict with this Assignment document.

IN WITNESS WHEREOF, I hereunto set hand and seal this day and year;
