## TERMINATION AND RELEASE OF SECURITY INTEREST IN PATENTS

This **TERMINATION AND RELEASE OF SECURITY INTERESTS IN PATENTS** (“**Release**”) is granted as of May 7, 2019 by **VIRTUS GROUP, LP**, as administrative agent for the Lenders (the “**Administrative Agent**”), in favor of **SURGICAL SPECIALTIES CORPORATION**, a Delaware corporation, and **SURGICAL SPECIALTIES CORPORATION (US), INC.**, a Washington corporation (collectively, the “**Grantors**” and each individually, a “**Grantor**”); and

**WHEREAS**, the Grantors, the other loan parties from time to time party thereto, the lenders from time to time parties thereto (the “**Lenders**”) and the Administrative Agent have entered into a Security Agreement, dated as of March 10, 2017 (as amended, restated, supplemented, replaced, increased, refinanced or otherwise modified from time to time, the “**Security Agreement**”); terms used herein and not otherwise defined shall have the meaning ascribed to such terms in the Security Agreement or Patent Agreement (defined below);

**WHEREAS**, the Grantors have executed and delivered that certain Patent Security Agreement, dated as of March 10, 2017, which was recorded with the United States Patent and Trademark Office on March 10, 2017, at Reel 041539 and Frame 0902 (as modified by that certain Partial Release of Security Interest in Patents, dated as of August 14, 2018, which was recorded with the United States Patent and Trademark Office on August 21, 2018, at Reel 046648 and Frame 0669, the “**Patent Agreement**”), pursuant to which the Grantors granted a security interest in all of their right, title and interest in, to and under certain Patents; and

**WHEREAS**, the Administrative Agent (acting at the direction of the Lenders) now desires to terminate and discharge fully its interest in the Patents described in the Patent Agreement, including, for the avoidance of doubt, the Patents identified in Schedule A annexed hereto (the “**Patent Collateral**”).

**NOW, THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Administrative Agent does hereby release, terminate, cancel and discharge fully any and all liens and security interests it may have in and to the Patent Collateral. If, and to the extent that the Administrative Agent has acquired any right, title and interest in, to, and under the Patent Collateral, the Administrative Agent hereby re-transfers, re-conveys and re-assigns such right, title or interest to the Grantors. The Administrative Agent terminates and cancels the Patent Agreement.

The Administrative Agent agrees to take all further actions, and provide to the Grantors and their respective successors, assigns or other legal representatives, all such cooperation and assistance (including, without limitation, the execution and delivery of any and all documents or other instruments), reasonably requested by the Grantors, at the Grantors’ sole cost and expense, to more fully and effectively effectuate the purposes of this Release. The Administrative Agent hereby authorizes and requests that the United States Patent and Trademark Office note and record the present Termination and Release of Security Interest in Patents.

THIS TERMINATION AND RELEASE OF SECURITY INTEREST IN PATENTS  
SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF  
THE STATE OF NEW YORK.

[remainder of page intentionally left blank]

IN WITNESS WHEREOF, the undersigned has duly executed and delivered this Termination and Release of Security Interest in Patents as of the date above first written.

**VIRTUS GROUP, LP, as Agent**
