set forth in the PCT International application No. PCT/US2008/006553, filed on  
May 22, 2008

set forth in the application for United States Letters Patent executed by me on the 12th day of November 2009  
on the 12th day of November 2009 and on the 12th day of November 2009 respectively

for which an application for a United States Patent was filed on November 23, 2009  
Application No. 12/601,504 ( I hereby authorize my attorney to insert  
the application filing date and number when they become known),

including the right of said ASSIGNEE, its successors, assigns or other legal representatives to  
make applications and to receive Letters Patent for said inventions and discoveries in any and all  
foreign countries in its or their own name or names, or in our names, at its or their election, and we  
hereby assign, sell and set over to said ASSIGNEE, its successors, assigns or other legal rep-  
resentatives, all rights of priority in and to said inventions and discoveries in all countries, including  
all applications claiming benefit of the filing date hereof, continuations, continuations in part,  
divisionals, reexaminations and reissue applications.

And we hereby agree for ourselves, our heirs, successors, assigns or other  
legal representatives to execute any and all papers, including applications for Letters Patent of any  
and all kinds and in any and all countries and to perform any and all acts which said ASSIGNEE, its  
successors, assigns or other legal representatives may deem necessary to secure thereto the rights  
herein assigned, sold and set over.

And we hereby represent and warrant that we have not granted any  
rights inconsistent with the rights granted herein.
