ASSIGNMENT OF PATENT APPLICATIONS

For good and valuable consideration, the receipt of which is hereby acknowledged, we, the undersigned, Ashley M. Nelson, Keren Zhang, Timothy E. Long, and Paul A. Bertin, ("the Inventors" or "the Assignors") do hereby confirm the sale, assignment, and transfer, and, to the extent not already effected, do hereby sell, assign, and transfer, to Elevance Renewable Sciences, Inc., having its principal operation at 2501 Davey Road, Woodridge, Illinois 60517 ("the Assignee"), and the Assignee's successors and assigns, all right, title, and interest for all countries in and to the following patent applications, including the right to claim priority thereto, each of which is entitled, Renewably Derived Polyesters and Methods of Making and Using the Same:

U.S. Provisional App. No. 62/325,432, filed April 20, 2016;
U.S. Patent App. No. 15/486,972, filed April 13, 2017; and
PCT App. No. PCT/US2017/028222, filed April 19, 2017;

(referred to as "the Applications"), and in and to any and all inventions disclosed in the Applications ("the Inventions") and all non-provisional applications for United States Patent, including divisional, continuing, substitute, renewal, and reissue thereof, and all other applications for United States Letters Patent or other related property rights in any and all foreign countries which have been or shall be filed on one or more of the Inventions, and in and to all original and reissued patents or related foreign documents that have been or shall be issued on one or more of the Inventions.

We, the Assignors, in accordance with this Assignment, authorize, and request the Commissioner for Patents of the United States to issue to the Assignee or the Assignee's successors and assigns, in accordance with this Assignment, any and all United States Letters Patents that claim or disclose one or more of the Inventions.

We, the Assignors, have agreed and further agree, for good and valuable consideration, the receipt of which is hereby acknowledged, that the Assignee or the Assignee's successors and assigns may apply for and receive foreign Letters Patents or similar such rights and, in doing so, may make a claim of priority to the Application under the provisions of any bilateral or multilateral treaty or international agreement, including but not limited to, the International Convention of 1883 and later modifications thereof ("the Paris Convention"), the Patent Cooperation Treaty, the European Patent Convention, the Eurasian Patent Convention, the agreement(s) of the African Regional Intellectual Property Organization, the agreement(s) of the Organisation Africaine de la Propriete Intellectuelle, and the agreement(s) of the Cooperation Council for the Arab States of the Gulf; and that, when requested, without charge to the Assignee or the Assignee's successors and assigns, to carry out in good faith the intent and purpose of this Assignment, the Inventor, or their executors or administrators, will, for the United States and any and all foreign countries: (i) execute any and all documents related to any application for patent in the United States or a foreign country, where such application discloses one or more of the Inventions; (ii) execute any and all oaths, declarations, assignments, confirmatory assignments, powers of attorney and other papers concerning one or more of the Inventions and any and all patent applications thereon, whether in the United States or a foreign country; and (iii) perform other such acts, at the request of the Assignee or the Assignee's successors and assigns, to obtain or maintain any and all patents or related property rights in the United States or any foreign country on one or more of the Inventions or any improvements thereto and to vest title thereto in the Assignee or the Assignee's successors and assigns.

In testimony whereof, we, the Assignors, have signed our names below on the date indicated. By such signature, we, the Assignors, acknowledge that we are of sound mind and health, that we have read and understood all terms recited above, and that we are signing this of our own free will for the purposes stated herein.
