**ASSIGNMENT**

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, We, **Ely Tsern** of Los Altos, California; **Matthew Walker** of Berkeley, California; and **Jonathan Farrington** of Pittsburgh, Pennsylvania (hereinafter referred to as "Assignor") have sold, assigned, transferred and set over and hereby sell, assign, transfer and set over to **Bryte, Inc.**, a corporation organized and existing under and by the virtue of the laws of the State of Delaware and having a place of business at 1060 Via Del Pozo, Los Altos CA, 94022, and its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title and interest throughout the world in the invention and improvements which are the subject of United States Provisional Patent Application No. 62/665,278 filed on May 1, 2018 entitled **SLEEP PHASE DEPENDENT TEMPERATURE CONTROL AND LEARNING METHODS TO OPTIMIZE SLEEP QUALITY**, and related applications and patents, this assignment including said application, any and all United States and foreign patent applications claiming priority to or the benefit of the filing date of said application, and any and all United States and foreign patents granted for any of said inventions or improvements, including all divisions, continuations, reissues, reexaminations, continuations-in-part and extensions of any of thereof, including the right to sue or otherwise bring action and to collect and receive damages therefrom for past infringement thereof, and the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and I authorize the Assignee to apply in all countries in my name or in its own name for patents and like rights of exclusion and for inventor's certificates for said inventions and improvements; and I agree for myself and my heirs, legal representatives and assigns, without further compensation, upon request to perform such lawful acts, to promptly provide Assignee with all pertinent facts and documents relating to said invention or application as may be known and accessible to me, to testify in any interference or litigation related to said invention or application and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this Assignment.

The Assignor hereby covenants that no assignment, sale, agreement, or encumbrance has been or will be made or entered into which would conflict with this Agreement.
