ASSIGNMENT

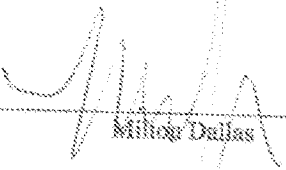

WHEREAS, Milton Dallas of Burlington, Wisconsin; Russ Roberts of Burlington, Wisconsin; and Edward Hermann of Greenfield, Wisconsin, have made certain inventions which are described in U.S. Patent No. 9,403,197, which claims benefit to U.S. Patent Application Serial No. 14/325,530, filed on July 8, 2014, and

WHEREAS, C2R Global Manufacturing Inc. (hereinafter referred to as said Company), a Wisconsin company, having a place of business at 701 Blackhawk Dr. Suite A, Burlington, Wisconsin, is desirous of acquiring the entire interest in said inventions throughout the United States of America and the territories thereof, for all other countries and under all international agreements,

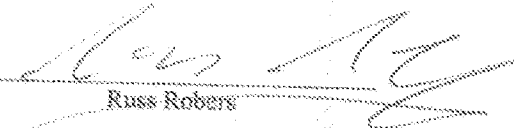

NOW, THEREFORE, for good and valuable consideration, receipt whereof is hereby acknowledged, we hereby sell, assign, and transfer unto said Company, its successors and assigns, effective retroactively from the date of making said inventions, the entire right, title and interest throughout the United States of America and the territories thereof and for all foreign countries, in and to said inventions, the aforesaid application, and all other applications hereafter filed in the United States and any other country based in whole or in part on said inventions, and all Letters Patent granted upon said application by the United States and any other country, and we do hereby authorize and request the Director of the United States Patent and Trademark Office to issue said Letters Patent to said Company. We further grant to said Company, its successors and assigns, the right to claim for any of said applications the full benefits and priority rights of any international agreement between the United States and any foreign country or countries.

We hereby warrant that we have the full right to make the conveyance herein, and hereby covenant that we, our heirs, legal representatives and assigns, will when requested, communicate to said Company, its representatives, successors and assigns, all facts known respecting said inventions, execute all divisional, continuing, reissue, reexamination and foreign or international applications, together with individual assignments therefore, make all rightful oaths, sign all lawful papers, testify in any legal proceeding and generally do everything possible to aid said Company, its successors and assigns, in the obtaining of Letters Patent.

IN TESTIMONY WHEREOF, we have hereunto set our hands on the date indicated with our signatures.
