ASSIGNMENT

WHEREAS I/WE, the below named inventor(s) (hereinafter referred to as Assignor(s)) have made a design/invention entitled:

Data Service System

which is a U.S. Patent Application attached thereof; and

WHEREAS, Silver Rocket Data Technology (Shanghai) Co., Ltd., a Chinese company whose address is 17th floor, Red Dot city, No. 1809 Qixin Road, Minhang District, Shanghai, P.R. China (hereinafter referred to as Assignee), is desirous of securing the entire right, title, and interest in and to this design/invention in all countries throughout the world, and in and to all applications for patents on this design/invention in all countries throughout the world, including any PCT International Application and all national stage applications based thereon that may be filed, and all patents issued upon such applications in all countries throughout the world;

NOW THEREFORE, be it known that, for good and valuable consideration the receipt of which from Assignee is hereby acknowledged, I/We, as Assignor(s), have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto Assignee, its lawful successors and assigns, my/our entire right, title, and interest in and to this design/invention, the above-referenced application(s) that discloses and claims this design/invention, any PCT International Application and all national stage applications based thereon that may be filed, any other applications for patents filed anywhere in the world that claim this design/invention, and all divisions and continuations of any such application, and all patents which may be granted thereon, and all reissues thereof, and all rights to claim priority in any country on the basis of the above applications, and all extensions, renewals, and reissues thereof; and I/We hereby authorize and request any official of any country whose duty is to issue patents on applications as described above, to issue all Letters Patent for this design/invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, I/WE HEREBY covenant that I/We have the full right to convey the interest assigned by this Assignment, and I/We have not executed and will not execute any agreement in conflict with this Assignment;

AND, I/WE HEREBY further covenant and agree that I/We will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to me/us respecting this design/invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this design/invention in said Assignee, its successors or assigns, execute all national phase, divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for this design/invention in any country in the world, it being understood that any expense incident to the execution of such papers shall be borne by Assignee, its successors and assigns.

AND, I/WE authorize and request a patent practitioner of record in this application, to insert the filing date, country of filing, and application number of the above-referenced application(s) when known.

IN TESTIMONY WHEREOF, I/We have hereunto set my hands. The ASSIGNMENT shall take effect as of May 7, 2019.
