Assignment of Rights, Title and Interest in Invention
(One or more Assignors; Single Assignee)

Docket Number
WTBI-007:CIP

Whereas, Assignor(s) desire(s) to assign its/our rights, title, and interest in and to the Invention identified above and described in the above-identified patent application(s) and/or patent(s) (hereinafter referred to as "Invention") to the above-identified Assignee;

Now, this indenture witnesseth, that for good and valuable consideration, the receipt whereof is hereby acknowledged;

Assignor(s) hereby assign, sell and transfer its/our above-identified rights, title and interest in said Invention, said application(s) as identified above, including any divisions, continuations, and continuations-in-part thereof, and in and to any and all Letters Patent of the United States, and countries foreign thereto, which may be granted or have granted for said Invention and in and to any and all reissues and reexaminations thereof, and in and to any and all priority rights, Convention rights, and other benefits accruing or to accrue to Assignor(s) with respect to the filing of applications to patents or securing of patents in the United States and countries foreign thereto, unto said Assignee, including all income, royalties and damages hereafter due or payable to Assignor with respect to the rights, title and interest in said Invention, including without limitation, damages and payments for past, present and future infringement(s) of said Invention, and all rights to sue for past, present and future infringement(s) of said Invention.

And we hereby authorize and request the Director of the United States Patent and Trademark Office to issue any United States Letters Patent which may issue for said Invention to said Assignee, as assignee of the whole right, title and interest thereto;

And we further agree to sign and execute all necessary and lawful future documents, including applications for foreign patents, for filing divisions, continuations and continuations-in-part of said application for patent, and/or, for obtaining any reissue or reissues of any Letters Patent which may be granted for my aforesaid Invention, as the Assignee or its Designee(s) may from time to time require and prepare at its own expense.
