ROSHMERE, INC.
CONSULTING AGREEMENT

This Consulting Agreement ("Agreement") is effective as of May 19, 2017 ("Effective Date") by and between Roshmere, Inc. (the "Company") and Ping Piu Kuo ("Consultant"). The Company desires to retain Consultant as an independent contractor to perform consulting services for the Company, and Consultant is willing to perform such services, on the terms described below. In consideration of the mutual promises contained herein, the parties agree as follows:

1. *Services and Compensation.* Consultant agrees to perform for the Company the services described in Exhibit A (the "Services"), and the Company agrees to pay Consultant the compensation described in Exhibit A for Consultant's performance of the Services.

[REDACTED]

[REDACTED]

3. *Ownership.*

A. *Assignment.* Consultant agrees that all copyrightable material, notes, records, drawings, designs, inventions, improvements, developments, discoveries and trade secrets conceived, discovered, developed or reduced to practice by Consultant, solely or in collaboration with others, during the term of this Agreement that relate in any manner to the business of the Company that Consultant may be directed to undertake, investigate or experiment with or that Consultant may become associated with in work, investigation or experimentation in the Company's line of business in performing the Services under this Agreement (collectively, "**Inventions**"), are the sole property of the Company. Consultant also agrees to assign (or cause to be assigned) and hereby assigns fully to the Company all Inventions and any copyrights, patents, mask work rights or other intellectual property rights relating to all Inventions.

B. *Further Assurances.* Consultant agrees to assist Company, or its designee, at the Company's expense, in every proper way to secure the Company's rights in Inventions and any copyrights, patents, mask work rights or other intellectual property rights relating to all Inventions in any and all countries, including the disclosure to the Company of all pertinent information and data with respect to all Inventions, the execution of all applications, specifications, oaths, assignments and all other instruments that the Company may deem necessary in order to apply for and obtain such rights and in order to assign and convey to the Company, its successors, assigns and nominees the sole and exclusive right, title and interest in

and to all Inventions, and any copyrights, patents, mask work rights or other intellectual property rights relating to all Inventions. Consultant also agrees that Consultant's obligation to execute or cause to be executed any such instrument or papers shall continue after the termination of this Agreement.

D. *Attorney-in-Fact.* Consultant agrees that, if the Company is unable because of Consultant's unavailability, dissolution, mental or physical incapacity, or for any other reason, to secure Consultant's signature for the purpose of applying for or pursuing any application for any United States or foreign patents or mask work or copyright registrations covering the Inventions assigned to the Company in **Section 3.A**, then Consultant hereby irrevocably designates and appoints the Company and its duly authorized officers and agents as Consultant's agent and attorney-in-fact, to act for and on Consultant's behalf to execute and file any such applications and to do all other lawfully permitted acts to further the prosecution and issuance of patents, copyright and mask work registrations with the same legal force and effect as if executed by Consultant.

EXHIBIT A

Services and Compensation

1. *Services.*

The Services shall include, but shall not be limited to, the following:

Services: Assisting the Company with respect to: (a) its ongoing corporate strategy; and (b) near-term opportunities. Performing, individually or in conjunction with Company employees or other independent contractors, as requested by Company, research and development of Inventions, technologies, systems, services, strategies, functions, algorithms, code, intellectual property, or other developments in connection with Company's products or within Company's current or anticipated lines of business. To the extent requested by Company, providing appropriate industry, customer, and user contacts and introductions. To the extent requested by Company, acting as a representative of Company at industry events or presenting or marketing Company's products and services.
