ASSIGNMENT

WHEREAS, I, Patrick W. Berry, of Vancouver, Washington, have invented, with others, a certain invention, entitled POSITIVE POSITIONING DEVICE AND SYSTEM, for which I am making application for Letters Patent of the United States, said application having been filed on July 13, 2018, and assigned U.S. Patent Application No. 16/035,168; and

WHEREAS, A-dec, Inc., a corporation organized under the laws of the State of Oregon, having a place of business at 2601 Crestview Drive, Newberg, Oregon 97132, desires to acquire an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I, Patrick W. Berry hereby sell, assign, and transfer to A-dec, Inc., the full and exclusive right, title, and interest in and to said invention, patent application, and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute International Applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; said invention, patent application, and letters patent in this or any foreign country, and all corresponding non-provisional applications, divisions, continuations, continuations-in-part, reissues, and extensions thereof, to be held and enjoyed by A-dec, Inc., for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent may be granted by the United States or any foreign country, as fully and entirely as the same would have been held by me had this assignment and sale not been made, and covenant that I have full right so to do, and agree that I will communicate to A-dec, Inc., or its successors and assigns, any facts known to me respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, and reissue applications, make all rightful oaths, and do everything possible to aid A-dec, Inc., its successors, and assigns to obtain and enforce proper patent protection for said invention in the United States or any foreign country.

I confirm that, at the time the invention was made, I was under an obligation to assign the invention to A-dec, Inc.

I hereby grant the law firm of Klarquist Sparkman, LLP, the power to insert on this Assignment any further information that may be necessary or desirable in order to comply with all applicable legal requirements, including the rules of the United States Patent and Trademark Office, for submitting and recording this document.

Executed at the place and date opposite my signature below.
