ASSIGNMENT

In accordance with my obligation(s) under the Proprietary Information and Assignment of Inventions Agreement or (as applicable) arising out of other agreements, and/or for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the undersigned (each) does hereby assign and transfer to **BAE Systems Information and Electronic Systems Integration Inc.** (hereinafter referred to as BAE), a Delaware corporation, having a place of business at PO Box 868, Nashua, New Hampshire, 03061-0868 and its successors, and assigns the entire right, title and interest, including the right of priority, in, and to and under an application entitled:

**APPARATUS AND METHOD FOR DIGITALLY CHARACTERIZING COMMUNICATION
CHANNEL NOISE AND INTERFERENCE**

The application attached hereto OR
the United States application (provisional or non-provisional) or PCT international application:

Application Number: 16/406,737 Filed on: 5/8/2019

(As amended (if applicable) -- and we hereby request and authorize the Company or its delegated attorney/agent to insert above the application number and file date of the application when known.)

for the invention(s) and improvement(s) set forth therein, and any and all provisionals, continuations, continuations-in-part (CIPs), divisionals, designs and renewals of and substitutes for said application any a United States patent and of countries foreign thereto including the right of priority under the International Convention which may be granted thereon or therefore; and any reissues, or reexaminations, or extensions of said Letters Patent.

I/We additionally authorize BAE to file applications in my/our name for Letters Patent in any country, to be held and enjoyed by BAE, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which said Letters Patent respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by me/us had this assignment, and transfer not been made;

And I/we hereby covenant that I/we have a full right to convey my/our entire interest herein assigned, and that I/we have not executed and will not execute any agreement in conflict herewith, and I/we further covenant and agree that I/we will, each time a request is made, and without undue delay, execute and deliver all such papers as may be necessary or desirable to perfect the title to said invention(s) or improvement(s), said application and said Letters Patent to BAE, its successors, assigns, nominees or legal representatives, and I/we agree to communicate to BAE, or to its nominee, all known facts respecting said invention(s) or improvement(s) said application and said Letters Patent, to testify in any legal proceedings, to sign all lawful papers, to execute all disclaimers and divisionals, continuations, CIPs, reissue and foreign applications, to make all rightful oaths and declarations, and generally to do everything reasonable to aid BAE, its successors, assigns, nominees and legal representatives to obtain and enforce, for its or their own benefit, proper patent protection for said invention(s) or improvements(s) in any and all countries;

And I/we hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue to BAE, as assignee of my/our entire right, title and interest, any and all Letters Patent for said invention(s) or improvement(s), including any and all Letters Patent of the United States which may be issued and granted on or as a result of the application aforesaid, in accordance with the terms of this Assignment.
