ASSIGNMENT

Artur HIRTSIEFER and Bernd RÖDDER, (each hereinafter an assignor), for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, hereby assign to SAMET KALIP VE MADEN ESYA SAN. VE TIC. A.S. an entity organized under the laws of Turkey, having an address at Atatürk Mahallesi İnönü Caddesi No. 8-13 34513 Kirac Esenyurt-Istanbul, Turkey (hereinafter the assignee), its successors and assigns, the entire right, title and interest in the invention or improvements disclosed in an application for Patent in the United States, and titled FURNITURE HINGE, and in any and all other applications, both United States and foreign, which each assignor or the assignee may file, either solely or jointly with others, on said invention or improvements, and in any and all patents of the United States and foreign countries which may be obtained on any of said applications and in any reissue or extension of such patents.

Each assignor hereby authorize and request the U.S. Commissioner of Patents and Trademarks to issue said Patent to said assignee.

Each assignor warrants himself to be the owner of the entire right, title and interest in said invention or improvements and to have the right to make this assignment, and further warrant that there are no outstanding prior assignments, licenses, or other encumbrances on the interest herein assigned.

For said considerations each assignor hereby agrees, upon the request and at the expense of the assignee, its successors and assigns, to execute any and all divisional, continuation and substitute applications for said invention or improvements, and any necessary declaration, oath, or affidavit relating thereto, and any application for the reissue or extension of any Patent that may be granted upon said application, and any and all applications and other documents for Patent in foreign countries on said invention or improvements that the assignee, its successors, or assigns may deem necessary or expedient, and for the noted consideration each assignor further agrees, upon the request of the assignee, its successors, or assigns, to cooperate to the best of the ability of the assignor with the assignee, its successors, or assigns, in any proceedings or transactions involving such application or patents, including the preparation and execution of preliminary statements, giving and producing evidence, and performing any and all other acts necessary to obtain and enforce said Patent, both United States and foreign, and vest all rights therein hereby conveyed in the assignee, its successors, and assigns, whereby said patent will be held and enjoyed by the the assignee, its successors and assigns to the full end of the term for which said Patent will be granted, as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment had not been made.

As an above named inventor, I hereby declare that:

I believe I am the original inventor or an original joint inventor of a claimed invention (or claimed design) in the above-identified application for which this declaration is being submitted.

The application was made or authorized to be made by me.

I have reviewed and understand the contents of the above-identified application, including the claims, and am aware of the duty to disclose to the Office all information known to me to be material to patentability as defined in 37 CFR §1.56.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. § 1001 by fine or imprisonment of not more than five (5) years, or both.
