## ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, I, **MARK D. BLISS** (Assignor), do hereby assign and transfer unto **FLENT D. BALLANTYNE** (hereinafter "Assignee"), an individual having an address at 403 Powerhouse, Suite 301, McKinney, Texas, 75071, and unto his successors, assigns and legal representatives, the entire right, title and interest to a certain invention entitled "**GRABBER TOOL AND SYSTEM**" described and illustrated in an application for Letters Patent of the United States of America, Application No. 16/419,445, filed on May 22, 2019 ~~XXX~~ (the "U.S. Application"), and further, hereby assign all rights, including rights of priority in the U.S. Application, in and to any application for patent filed in any country claiming priority to, claiming the invention described in, or otherwise based on the U.S. application, and in and to any continuation, division, reissue, reexamination, extension, renewal, or substitute thereof, and in and to any patent which may grant from such application(s).

I hereby authorize and request all government authorities in any country to issue patent(s) upon the aforesaid application, continuation, division, reissue, reexamination, extension, renewal, or substitute, to Assignee, for the sole use and behalf of Assignee, his successors, assigns, and legal representatives, to the full end of the term for which the patent(s) may be granted, the same as it would have been held and enjoyed by me had this assignment not been made.

I agree that, when requested, I will, without charge to Assignee, but at his expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable, or convenient for securing and maintaining patents for the invention(s) in any and all countries and for vesting title thereto in Assignee, his successors, assigns, and legal representatives or nominees.

I covenant with Assignee, his successors, assigns, and legal representatives that the interest and property hereby conveyed is free from all prior assignment, grant, mortgage, license, or other encumbrance.
