**PATENT AND INVENTION ASSIGNMENT**  
*[Provisional Patent Application  
and related inventions]*

WHEREAS, the undersigned:

**Brannon Scott Thompson**, a citizen of the United States of America, residing at  
2805 Berry Patch Court, Castle Hayne, NC 28429, and

**Steven Vonderlehr Boehling**, a citizen of the United States of America, residing at  
633 Airlie Road, Wilmington, NC 28403,

(hereinafter collectively referred to as "Assignor(s)") have or may have invented certain inventions and improvements disclosed in a provisional application for United States Patent entitled **Ember and Flame Resistant Resettable Automatic Soffit Vent**, which application was filed in the United States Patent and Trademark Office on June 13, 2018, as application serial number 62/684,504;

WHEREAS, it is agreed that **Building Materials Investment Corporation**, a Corporation of the State of Delaware, having its principal place of business at 2600 Singleton Boulevard, Dallas, Texas 75212, is entitled to or is desirous of acquiring all right, title and interest related to the same;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, **Assignors**, by these presents, do sell, assign and transfer unto **Building Materials Investment Corporation**, the full, exclusive and entire right, title and interest, worldwide: (i) in and to all inventions and improvements disclosed and described in said provisional application, (ii) in and to said provisional application, (iii) in and to any non-provisional patent applications, including but not limited to all divisional, continuation, and continuation-in-part applications of such non-provisional applications, filed or which are hereafter filed in the United States describing in whole or in part the said inventions and improvements, preparatory to obtaining Patents of the United States therefore, (iv) in and to all patents of the United States which may be granted on the foregoing and all reissues and extensions thereof and (v) in and to the right to claim any applicable foreign and domestic priority rights arising from any of the afore-mentioned patent applications; and Assignors hereby request the Commissioner of Patents to issue any and all Patents of the United States resulting from such non-provisional patent applications, or from a division, continuation, continuation-in-part, or reissue thereof, to **Building Materials Investment Corporation** as Assignee, for the interest and for the sole use and behoof of **Building Materials Investment Corporation** and its assigns and legal representatives.

For the same consideration, Assignors, by these presents do sell, assign and transfer to **Building Materials Investment Corporation** the full, exclusive and entire right, title and interest: in and to any and all applications for industrial property protection, including without limitation, all applications for patents, utility models, inventors' certificates and designs, (the "Foreign Applications") filed or which
