A S S I G N M E N T

THIS ASSIGNMENT, made on the date set forth below by James J. MACOVIAK, a resident at 8 Charles Avenue, Conyngham, PA 18219, and Richard L. MACOVIAK, a resident at 2198 Buck Mountain Road, Weatherly, PA 18255 (hereinafter referred to as the Assignors); WITNESETH:

WHEREAS, said Assignors has invented certain new and useful improvements in REMOTELY-EXECUTED MEDICAL DIAGNOSIS AND THERAPY INCLUDING EMERGENCY AUTOMATION set forth in United States Letters Patents 9224180 and 9202253, and Application for Letters Patent of the United States 16/216,688, filed December 11, 2018; and

WHEREAS, Remedev, Inc. a company duly organized under and pursuant to the laws of the State of Delaware, having its principal place of business at 313 West Butler Drive, Drums, PA 18222 (hereinafter referred to as the Assignee) is desirous of acquiring the entire right, title and interest in and to said inventions, Letters Patents, and said Application for Letters Patent of the United States, and in and to any Letters Patent or Patents, United States or foreign, to be obtained therefor and thereon.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the said Assignor has sold, assigned, transferred and set over, and by these presents does sell, assign, transfer and set over, unto the Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned inventions, Letters Patents, Application for Letters Patent, and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefor

and thereon, and in and to any and all divisions, continuations, and continuations-in-part of said application, or reissues or extensions of said Letters Patent or Patents, and all rights under the International Convention for the Protection of Industrial Property, and all rights of priority resulting from the filing of the application(s) and/or rights to claim priority from the application(s), the same to be held and enjoyed by the said Assignee, including the right to sue and collect damages for past, present, and future infringement, for its own use and behoof and the use and behoof of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the Assignor, had this sale and assignment not been made.

AND for the same consideration, the said Assignors hereby covenant and agree to and with the said Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, the said Assignors are the lawful owners of their respective individual right, title and interest in and to the said inventions, Letters Patents, and the Application for Letters Patent above-mentioned, and that their respective rights, title, and interests are unencumbered and that the said Assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, the said Assignors hereby covenant and agree to and with the said Assignee, its successors, legal representatives and assigns, that the said Assignors will, whenever counsel of the said Assignee or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with said inventions, or said Patents, or said Application for Letters Patent, or any proceeding in connection with Letters Patents for said invention in any country, including post-grant proceedings (including interference proceedings, post-grant review, Inter Partes Review, Reexamination, derivation, Supplemental

Examination and Reissue), is lawful and desirable, that any non-provisional, division, continuation or continuation-in-part of any application for Letters Patent, post-grant proceeding, or reissue or extension of any Letters Patent, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement, validity and defense of the Letters Patent for said invention in any country, with charge to the said Assignor, its successors, legal representatives and assigns.

AND said Assignor hereby requests the Commissioner of Patent and Trademarks to issue said Letters Patents of the United States to the said Assignee, as the assignee of said inventions and the Letters Patents to be issued thereon for the sole use and behoof of the said Assignee, its successors, legal representatives and assigns.

The undersigned hereby grants the firm of Blank Rome LLP the power to insert on this Assignment any further identification which may be necessary or desirable to comply with the rules of the United States Patent and Trademark Office for recordation of this document in the United States Patent and Trademark Office.
