Dell Employment Agreement

I agree to the following terms regarding my employment or continued employment with Dell or a subsidiary or affiliate of Dell (collectively, Dell). I enter into this agreement in consideration of the salary, wages and benefits paid to me by Dell and in consideration of the confidential and proprietary information provided to me by Dell. I understand that Dell agrees to employ me only on the condition that I agree to honor and to be bound by the provisions of this Agreement.

3. While I am a Dell employee, I will promptly disclose all Intellectual Property to Dell. Intellectual Property includes each discovery, idea, improvement, or invention I create, conceive, develop or discover, alone or with others, which relates to Dell's business or results from the use of Dell's equipment, supplies, facilities, or information. All Intellectual Property, in whatever form, is Dell's property. I assign to and agree to assign to Dell and its nominees, without additional compensation, all of my rights in Intellectual Property. I will assist Dell in all ways in the future, including giving evidence and executing any documents deemed helpful or necessary by Dell, to establish, perfect, and register worldwide, at Dell's expense, such rights in Intellectual Property. I will not do anything in conflict with Dell's rights in Intellectual Property and will cooperate fully to protect Intellectual Property against misappropriation or infringement.
