ASSIGNMENT

WHEREAS, I,

1. **Fred Treesh**, a citizen of the United States of America, having a mailing address of 6155 El Camino Real, Carlsbad, California, 92009, and a resident of Carlsbad, California;

hereinafter referred to as Assignor are the inventor described and set forth in the below-identified application for United States Letters Patent:

Title of Invention: HANDOVER OF A MOBILE TERMINAL IN A MULTI-BEAM SATELLITE BASED ON NETWORK CONDITIONS

Filing Date: March 28, 2019

Application No.: 16/368,307

WHEREAS, ViaSat, Inc., located at 6155 El Camino Real, Carlsbad, California, 92009; hereinafter referred to as "Assignee", is desirous of acquiring interest in the invention and application and in any U.S. Letters Patent and Registrations which may be granted on any patent application claiming priority from the same.

For good and valuable consideration, receipt of which is hereby acknowledged by Assignor, Assignor has assigned, and by these presents do assign to Assignee all right, title and interest in and to the invention and application and to all foreign counterparts (including patent, utility model and industrial designs), and in and to any Letters Patent and Registrations which may hereafter be granted on any patent application claiming priority from the same in the United States and all countries throughout the world, and to claim the priority from the application as provided by the Paris Convention. The right, title and interest is to be held and enjoyed by Assignee and Assignee's successors and assigns as fully and exclusively as it would have been held and enjoyed by Assignor had this Assignment not been made, for the full term of any Letters Patent and Registrations which may be granted thereon, or of any division, renewal, continuation in whole or in part, substitution, conversion, reissue, prolongation or extension thereof.

Assignor further agrees that Assignor will, without charge to Assignee, but at the Assignee's expense, (a) cooperate with Assignee in the prosecution of U.S. Patent applications and foreign counterparts on the invention and any improvements, (b) execute, verify acknowledge and deliver all such further papers, including applications and instruments of transfer, and (c) perform such other acts as Assignee lawfully may request to obtain or maintain Letters Patent and Registrations for the invention and improvements in any and all countries, and to vest title thereto in Assignee, or Assignee's successors and assigns.
