including any all rights, titles and interests in and to any and all inventions, discoveries and other subject matters described herein, and including any and all patent applications filed or to be filed on said inventions and improvements, in the U.S. and all countries and territories of the world, including any continuation, continuation-in-part, divisional, renewal, revival, substitute, reissue, conversion, non-provisional, provisional, re-examination certificate following *Inter Partes* Review, certificate following Post Grant Review of the inventions and improvements, and any patent which may issue thereon, and reissues of the same, and including all other patent applications claiming priority to or benefit of the foregoing, pursuant to any law or treaty, and including any and all patent issuing from any of the foregoing, and including the rights to claim priority to any of the foregoing,, such as the right to claim priority under the International Convention to any of the foregoing, and including any and all causes of action and enforcement rights, including all rights to sue, counterclaim, and recover for any past, present and future infringement of, or liabilities for, all patent(s) utility models, inventors' certificates, petty patents, design patents or similar legal protection to be obtained for the inventors.

I have not previously conveyed, nor am I aware of an obligation to convey, my rights in the Applications to a third party. I hereby authorize the U.S. Patent and Trademark Office, and any other government agency in the world, to issue to Assignee all patents resulting from any of the foregoing and to record Assignee's ownership thereof.

At Assignee's reasonable request I agree, without further remuneration, to execute and deliver documents prepared at Assignee's expense and to provide other cooperation, such as testimony, as may be reasonably required to evidence or protect Assignee's rights in the foregoing. Assignee may assign or transfer all or part of its rights set forth herein in its sole discretion. I agree that the Assignee may affix its signature to this document as well as any other indicia of its acceptance of the provisions hereof. If any provision herein is unenforceable, the requirements of the provision shall remain to the full extent permissible by law and the offending portions thereof shall be deemed replaced, to the extent possible, with a provision most closely reflecting the purpose of the offending provision. I hereby appoint(s) the persons associated with Customer Number: **146322** the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.
