## ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, **Global Algae Innovations, Inc.**, a Delaware corporation, does hereby assign and transfer unto **Global Algae Technologies, LLC**, a Delaware company, having a business address at 10704 Prospect Avenue, Suite C, Santee, California 92071-4521, United States of America ("Assignee"), and unto its successors, assigns and legal representatives, the entire right, title and interest to certain inventions described, illustrated and claimed in the U.S. Patents Applications listed below, together with the entire right, title and interest in and to said Applications, and in and to any division, extension, continuation, continuation-in-part, or reissue thereof.

Assignor hereby authorizes and requests the Commissioner of Patents of the United States of America to issue further Letters Patents based on any division, extension, continuation, continuation-in-part, or reissue of the said Applications listed below to Assignee for the sole use and benefit of said Assignee, its successors, assigns and legal representatives, to the full end of the term for which said Letters Patents may be granted, the same as they would have been held and enjoyed by Assignor had this assignment not been made.
