THIS COMMERCIAL SECURITY AGREEMENT, dated May 24, 2019 is made and executed between MAC Trailer Enterprises, Inc., MAC Trailer Manufacturing, Inc., MAC Manufacturing, Inc., MAC Trailer Service, Inc., MAC Trailer Sales, Inc., MAC International, Inc., MAC Trailer Realty, Inc., MAC LTT, Inc., MAC LTT, LLC, Quaker Realty, LLC, MAC LTT Manufacturing, Inc., MAC Waste Trailer, Inc., MAC Trailer Aftermarket Parts, Inc., MAC Trailer Texas, Inc. aka MAC-T of Texas, Inc., and MAC Trailer of Oklahoma, Inc. (all of the foregoing are hereinafter sometimes individually referred to as "Grantor" and collectively referred to as the "Grantors"), and THE HUNTINGTON NATIONAL BANK ("Lender"), on the following terms and conditions.

GRANT OF SECURITY INTEREST. For valuable consideration, Grantors grant to Lender a security interest in the Collateral to secure all obligations in connection with the Indebtedness and the Notes, and agree that Lender shall have the rights stated in this Agreement with respect to the Collateral, in addition to all other rights which Lender may have by law.

COLLATERAL DESCRIPTION. The word "Collateral" as used in this Agreement means the following described property, whether now owned or hereafter acquired, whether now existing or hereafter arising, and wherever located, in which Grantors are giving to Lender a security interest for the payment of the Indebtedness and performance of all other obligations under the Note and this Agreement:

All inventory, equipment, accounts (including but not limited to all health-care-insurance receivables), chattel paper, instruments (including but not limited to all promissory notes), letter-of-credit rights, letters of credit, documents, deposit accounts, investment property, money, other rights to payment and performance, and general intangibles (including but not limited to all software and all payment intangibles), all intellectual property now existing or hereafter created (including but not limited to patents, copyrights, and trademarks) ; all royalties and other financial benefits associated with minerals, gas and oil; all fixtures; all attachments, accessions, accessories, fittings, increases, tools, parts, repairs, supplies, and commingled goods relating to the foregoing property, and all additions, replacements of and substitutions for all or any part of the foregoing property; all insurance refunds relating to the foregoing property; all goodwill relating to the foregoing property; all claims, causes of action relating to the foregoing property; all records and data and embedded software relating to the foregoing property, and all equipment, inventory, and software to utilize, create, maintain, and process any such records and data on electronic media; and all supporting obligations relating to the foregoing property; all whether now existing or hereafter arising, whether now owned or hereafter acquired or whether now or hereafter subject to any rights in the foregoing property; and all products and proceeds (including but not limited to all insurance payments) of or relating to the foregoing property.

In addition, the word "Collateral" also includes all the following, whether now owned or hereafter acquired, whether now existing or hereafter arising, and wherever located:

- (A) All accessions, attachments, accessories, tools, parts, supplies, replacements of, and additions to any of the property described in this Collateral Description section, whether added now or later.
- (B) All products and produce of any of the property described in this Collateral Description section.

(C) All accounts, general intangibles, instruments, rents, monies, payments, and all other rights, arising out of a sale, lease, consignment or other disposition of any of the property described in this Collateral Description section.

(D) All proceeds (including insurance proceeds) from the sale, destruction, loss, or other disposition of any of the property described in this Collateral Description section, and sums due from a third party who has damaged or destroyed the Collateral or from that party's insurer, whether due to judgment, settlement or other process.

(E) All records and data relating to any of the property described in this Collateral Description section, whether in the form of a writing, photograph, microfilm, microfiche, or electronic media, together with all of Grantors' right, title, and interest in and to all computer software required to utilize, create, maintain, and process any such records or data on electronic media.

Notwithstanding anything contained in this Agreement, the Business Loan Agreement, or any other loan document between Grantors and Lender, no inventory of MAC Trailer Sales, Inc. purchased by MAC Trailer Sales, Inc. pursuant a floor plan between MAC Trailer Sales, Inc. and Wells Fargo Bank, National Association or its successors or assigns in an amount not to exceed \$6,000,000.00 ("Floor Plan Financing") which is subject to a security interest of Wells Fargo Bank, National Association or its successors or assigns shall be part of the Collateral and shall not act as security for any of the Loans, and Lender shall not have any security interest therein. Furthermore the security interests granted and liens given pursuant to the Floor Plan Financing shall be Permitted Liens under the Loan Documents including this Agreement and any security agreements.

CROSS-COLLATERALIZATION. In addition to the Indebtedness and the Notes, this Agreement secures all obligations, debts and liabilities, plus interest thereon, and all documents reflecting or relating to a Rate Management Transaction now existing or hereafter entered into between Grantors and Lender which is a rate swap, basis swap, forward rate transactions, commodity swap, commodity option, equity or equity index swap, equity or equity index option, bond option, interest rate option, foreign exchange transaction, cap transaction, floor transaction, collar transaction, forward transaction, currency swap transaction, cross-currency rate swap transaction, currency option or any other similar transaction, including any option with respect to any of these transactions, or any combination thereof, whether linked to one or more interest rates, foreign currencies, commodity prices, equity prices or other financial measures of Grantors to Lender, or any one or more of them, as well as all claims by Lender against Grantors or any one or more of them, whether now existing or hereafter arising, whether related or unrelated to the purpose of the Note, whether voluntary or otherwise, whether due or not due, direct or indirect, determined or undetermined, absolute or contingent, liquidated or unliquidated, whether Grantors may be liable individually or jointly with others, whether obligated as guarantor, surety, accommodation party or otherwise, and whether recovery upon such amounts may be or hereafter may become barred by any statute of limitations, and whether the obligation to repay such amounts may be or hereafter may become otherwise unenforceable.

RIGHT OF SETOFF. To the extent permitted by applicable law, Lender reserves a right of setoff in all Grantors' accounts with Lender (whether checking, savings, or some other account). This includes all accounts Grantors hold jointly with someone else and all accounts Grantors may open in the future. However, this does not include any IRA or Keogh accounts, or any trust accounts for which setoff would be prohibited by law. Grantors authorize Lender, to the extent permitted by applicable law, to charge or setoff all sums owing on the Indebtedness against any and all such accounts.

GRANTORS' REPRESENTATIONS AND WARRANTIES WITH RESPECT TO THE COLLATERAL. With respect to the Collateral, each Grantor represents, promises, and warrants to Lender that:

Perfection of Security Interest. Each Grantor hereby agrees to take whatever actions are reasonably requested by Lender to perfect and continue Lender's security interest in the Collateral. Except as stated on Exhibit A, Lender's security interest on the Collateral shall constitute a first lien on the Collateral. Upon request of Lender, Grantors will deliver to Lender any and all of the documents evidencing or constituting the Collateral, and Grantors will note Lender's interest upon any and all chattel paper and instruments if not delivered to Lender for possession by Lender. This Agreement secures revolving debt obligations, and therefore this is a continuing security agreement and will continue in effect until the term of the Loan has expired and is not renewed, even though all or any part of the Indebtedness may, for a period of time, not be due and outstanding

Notices to Lender. Grantors will promptly notify Lender in writing at Lender's address shown above (or such other addresses as Lender may designate from time to time in writing) prior to any (1) change in the name of any Grantor; (2) change in Grantors' principal office address; (3) change in Grantors' state of organization or formation; (4) conversion of Grantors to a new or different type of business entity; or (5) change in any other aspect of Grantors that materially affects any agreements between Grantors and Lender. No change in Grantors' names or states of organization or formation will take effect until after Lender has received notice.

No Violation. The execution and delivery of this Agreement will not violate any law or agreement governing Grantors or to which Grantors are a party, and Grantors' certificates or articles of incorporation, organization, bylaws, code of regulations, and/or other governing documents do not prohibit any term or condition of this Agreement.

Enforceability of Collateral. To the extent the Collateral consists of accounts, chattel paper, or general intangibles, as defined by the Uniform Commercial Code, at the time such Collateral becomes subject to a security interest in favor of Lender to the knowledge of the Grantors, such Collateral is enforceable accordance with its terms, is genuine, and fully complies in all material respects with all applicable laws and regulations concerning form, content and manner of preparation and execution, and all persons appearing to be obligated on the Collateral have authority and capacity to contract and are in fact obligated as they appear to be on the Collateral. At the time any account becomes

subject to a security interest in favor of Lender, the account shall be a good and valid account representing an undisputed, bona fide indebtedness incurred by the account debtor, for merchandise held subject to delivery instructions or previously shipped or delivered pursuant to a contract of sale, or for services previously performed by Grantors with or for the account debtor. So long as this Agreement remains in effect, Grantors shall not, without lender's prior written consent, compromise, settle, adjust, or extend payment under or with regard to any such accounts. There shall be no setoffs or counterclaims against any of the Collateral, and no agreement shall have been made under which any deductions or discounts may be claimed concerning the Collateral except those disclosed to Lender in writing.

Location of the Collateral. Except in the ordinary course of Grantors' business, including, without limitation, the sales of inventory or the collection of accounts, Grantors agree to keep the Collateral (or to the extent the Collateral consists of intangible property such as accounts or general intangibles), the records concerning the Collateral at Grantors' present business address or at such other locations as are acceptable to Lender. Upon Lender's request, Grantors will deliver to Lender in form satisfactory to Lender a schedule of real properties and Collateral locations relating to Grantors' operations, including without limitation, the following: (1) all real property Grantors own or are in the process of purchasing; (2) all real property Grantors are renting or leasing; (3) all storage facilities Grantors own, rent, lease, or use; and (4) all other properties where Collateral is or may be located.

Removal of the Collateral. Except in the ordinary course of Grantors' business, including, without limitation, the sales of inventory or the collection of accounts, Grantors shall not remove the Collateral from its existing location without Lender's prior written consent, which consent shall not be unreasonably withheld, conditioned, or delayed. Except in the ordinary course of Grantors' business, to the extent that the Collateral consists of vehicles, or other titled property, Grantors shall not take or permit any action which would require application for certificates of title for the vehicles outside the State of Ohio, without Lender's prior written consent. Grantors shall, whenever requested, advise lender of the exact location of the Collateral.

Transactions Involving Collateral. Except for inventory sold or accounts collected in the ordinary course of Grantors' business, or as otherwise provided for in this Agreement, Grantors shall not sell, offer to sell, or otherwise transfer or dispose of the Collateral. While no Event of Default exists under this Agreement or the Loan Documents, Grantors may sell inventory in the ordinary course of Grantors' business. A sale in the ordinary course of Grantors' business does not include a transfer in partial or total satisfaction of a debt or any bulk sale. Except for the Permitted Liens and the security interest provided for in this Agreement, Grantors shall not pledge, mortgage, encumber, or otherwise permit the Collateral to be subject to any lien, security interest, encumbrance, or charge, without the prior written consent of Lender. Unless waived by Lender, all proceeds from any disposition of the Collateral (for whatever reason) shall be held in trust for Lender and shall not be commingled with any other funds; provided however, this requirement shall not constitute consent by Lender to any sale or other disposition. Upon receipt, Grantors shall immediately deliver any such proceeds to Lender.

Title. Except for the Permitted Liens and the security interest provided for in this Agreement, Grantors represent and warrant to Lender that Grantors hold good and marketable title to the Collateral, free and clear of all liens and encumbrances. Except for the Permitted Liens, no financing statement covering any of the Collateral is on file in any public office other than those which reflect the security interest created by this Agreement or to which Lender has specifically consented. Grantors shall defend Lender's rights in the Collateral against the claims and demands of all other persons other than liens that are Permitted Liens.

Repairs and Maintenance. Grantors agree to keep and maintain, and to cause others to keep and maintain, the Collateral in good order, repair and condition at all times while this Agreement or any Loan Document remains in effect. Grantors further agree to pay when due all claims for work done on, or services rendered or material furnished in connection with the Collateral so that no lien or encumbrance may ever attach to or be filed against the Collateral.

Inspection of Collateral. Lender and Lender's designated representatives and agents shall have the right at all reasonable times to examine and inspect the Collateral wherever located, upon two (2) days advance written notice to Grantors (except when an Event of Default has occurred and is continuing, in which case no advance notice is required), but in no event more than two (2) times in any one calendar year at Grantor's expense.

Taxes, Assessments, and Liens. Grantors will pay when due all taxes, assessments, and liens upon the Collateral, its use or operation, upon this Agreement, upon any promissory note or notes evidencing the indebtedness, or upon any of the Loan Documents. Notwithstanding the foregoing, Grantors may withhold any such payment or may elect to contest any lien if Grantors are in good faith conducting an appropriate proceeding to contest the obligation to pay and so long as Lender's interest in the Collateral is not jeopardized in Lender's sole opinion. If the Collateral is subjected to a lien which is not discharged within fifteen (15) days, Grantors shall deposit with lender cash, a sufficient corporate surety bond, or other security or arrangement satisfactory to Lender in an amount adequate to provide for the discharge of the lien plus any interest, costs, attorneys' fees, or other charges that could accrue as a result of foreclosure or sale of the Collateral, as determined by lender in its sole and absolute discretion. In any contest, Grantors shall defend themselves and Lender and shall satisfy any final adverse judgment before enforcement against the Collateral. Grantors shall name Lender as an additional obligee under any surety bond furnished in the contest proceedings. Upon the written request of Lender, Grantors further agree to furnish Lender with evidence that such taxes, assessments, and governmental and other charges have been paid in full and in a timely manner. Grantors may withhold any such payment or may elect to contest any lien if Grantors are in good faith conducting an appropriate proceeding to contest the obligation to pay and so long as Lender's interest in the Collateral is not jeopardized.

Compliance with Governmental Requirements. Grantors shall comply promptly in all material respects with all laws, ordinances, rules and regulations of all governmental authorities, now or hereafter in effect, applicable to the ownership, production, disposition, or use of the Collateral, including all laws or regulations relating to the undue erosion of highly- erodible land or relating to the conversion of wetlands for the production of an agricultural product or commodity. Grantors may contest in good faith any such law, ordinance, or regulation and withhold compliance during any proceeding, including appropriate appeals, so long as Lender's interest in the Collateral, in Lender's opinion, is not jeopardized.

Hazardous Substances. Except as set forth on Exhibit B, Grantors represent and warrant that to Grantor's knowledge the Collateral never has been, and never will be so long as this Agreement remains a lien on the Collateral, used in violation in any material respect of any Environmental Laws or (except in compliance with Environmental Laws in all material respects) for the generation, manufacture, storage, transportation, treatment, disposal, release, or threatened release of any Hazardous Substance. Grantors hereby (1) release and waive any future claims against Lender for indemnity or contribution in the event Grantors become liable for cleanup or other costs under any Environmental Laws, and (2) agree to indemnify, defend, and hold harmless Lender against any and all claims and losses resulting from a breach of this provision of this Agreement. This obligation to indemnify and defend shall survive the payment of the Indebtedness and the satisfaction of this Agreement. Notwithstanding the foregoing, such indemnities shall not apply (a) to the Lender to the extent that the subject of the Indemnification is caused by or arises out of the negligence, gross negligence, or willful misconduct of the Lender; and (b) to the extent that the subject of the indemnification arises as a result of actions or events occurring after possession of the Collateral is no longer held by the Grantors.

Maintenance of Casualty Insurance.

(a) Grantors shall maintain at all times on the Collateral, at Grantors' expense, the following insurance coverages (together, "Required Insurance"): (i) property insurance and/or equivalent vehicle physical damage insurance protecting the Collateral for its full replacement value, naming Lender as a loss payee on a "Lender's Loss Payable" endorsement; (ii) general liability insurance and/ or equivalent vehicle liability insurance in amounts reasonably acceptable to Lender, naming Lender as an additional insured; and (iii) such other insurance coverages as Lender shall reasonably require in such amounts and against such risks as shall be reasonably satisfactory to Lender. Grantors further agree that the property insurer must have an A.M. Best's Key Rating of at least "B+".

(b) Required Insurance shall not have a deductible amount in excess of Twenty-Five Thousand Dollars (\$25,000.00) or other policy limitations unsatisfactory to Lender without the express written consent of Lender. The insurance policy for any Required Insurance shall provide that the insurer provide Lender with a minimum of ten (10) days advance written notice of any alteration, cancellation, or other modification of the insurance policy. In addition, Grantors shall give Lender written notice of any alteration, cancellation, or other modification of the insurance policy for any Required Insurance within ten (10) days after Grantors become aware of the same. Grantors shall, upon request, provide to Lender a certificate or other evidence satisfactory to Lender that Required Insurance coverage is in effect; provided, however that Lender shall be under no duty to ascertain as to the existence or adequacy of such insurance. The Required Insurance maintained by Grantors shall be primary without any right of contribution from insurance which may be maintained by Lender.

(c) Lender shall have the exclusive right, and Grantors hereby appoint Lender as Grantors' attorney-in-fact (coupled with an interest), to make and settle any claims under, receive any payments on, and execute and endorse any documents, checks or drafts respecting to any Required Insurance (and proceeds therefrom) regarding the Collateral. In the event any proceeds of Required Insurance are paid or payable with respect to any unit of Collateral, such insurance proceeds shall be applied (at Lender's option) toward: (i) the replacement, restoration or repair of such Collateral; or (ii) satisfaction of Grantors' obligations hereunder.

(d) Within ten (10) days after Grantors become aware of the same, Grantors agree to give written notice to Lender as to any damage to, or loss of, the Collateral or material damage or personal injury caused by the Collateral. Grantors shall, at their own expense and cost, have the duty and responsibility to make all proofs of loss and take all other steps necessary to effect collections from underwriters for any loss under any of the Required Insurance policies. If the Collateral is to be subleased or used by others (subject to Lender's prior written approval), a special insurance endorsement may be required by Lender to permit such use. If Grantors do not maintain Required Insurance, Lender may, in its sole discretion, but is not required to, obtain insurance from an insurer of Lender's choosing in such forms and amounts as Lender deems reasonable to protect Lender's interests after giving Grantors any notice required by applicable law. Such insurance may cover some or all of the risks required to be covered by Required Insurance as Lender shall determine, and Lender may elect to cover only itself and its insurable interests with respect to the Collateral and not name Grantors as insureds or otherwise cover Grantors' interests. Such insurance will not give Grantors any liability insurance coverage, will not meet the requirements of a state's financial responsibility law, and may not separately insure Grantors' interest in the Collateral. Grantors agree to pay Lender periodic charges for such insurance ("Insurance Charges") that include the following: a premium that may be higher than if Grantors maintained Required Insurance; interest up to 1.5% per month on any premium advances made by Lender or Lender's agents or affiliates; and billing, servicing and processing fees of Lender or Lender's agents or affiliates. Each of the Insurance Charges may generate a profit to Lender and Lender's agents or affiliates. If Grantors fail to pay billed Insurance Charges within thirty (30) days of their due date, Lender may, in its sole discretion, (i) pay the Insurance Charges by adding them to the balance of the Note, or by applying funds paid under the Note or debiting Grantors' account under any previously authorized automatic payment or other authorization or (ii) cancel such insurance. Lender shall discontinue billing Insurance Charges upon receipt of evidence

satisfactory to Lender of Required Insurance. Grantors agree to arbitrate any dispute with Lender or Lender's agents or affiliates regarding Required Insurance, insurance provided by Lender or Lender's agents or Insurance Charges under the rules of the American Arbitration Association in Columbus, Ohio; provided however, such agreement does not authorize class arbitration.

Financing Statements. Grantors authorize Lender to file a UCC financing statement or statements, or alternatively, a copy of this Agreement to perfect Lender's security interest in the Collateral. At Lender's request, each Grantor additionally agrees to sign all other documents that are necessary to perfect, protect, and continue Lender's security interest in the Property. Grantors will pay all filing fees, title transfer fees, and other fees and costs involved unless prohibited by law or unless Lender is required by law to pay such fees and costs. Grantors irrevocably appoint Lender to execute documents necessary to transfer title if there is an Event of Default and during the continuance thereof.

If any Grantor changes its name or address, or the name or address of any person granting a security interest under this Agreement change, Grantors will promptly notify the Lender of such change.

GRANTORS' RIGHT TO POSSESSION AND TO COLLECT ACCOUNTS. Until the occurrence of and during the continuation of an Event of Default hereunder or under the Loan Documents, and except as otherwise provided below with respect to accounts, Grantors may have possession of the tangible personal property and beneficial use of all the Collateral and may use it in any lawful manner not inconsistent with this Agreement or the Loan Documents, provided that Grantors' right to possession and beneficial use shall not apply to any Collateral where possession of the Collateral by Lender is required by law to perfect Lender's security interest in such Collateral. Until otherwise notified by Lender after the occurrence and during the continuance of an Event of Default, Grantors may collect any of the Collateral consisting of accounts. At any time after the occurrence of and during the continuation of an Event of Default, Lender may exercise its rights to collect the accounts and to notify account debtors to make payments directly to Lender for application to the Indebtedness. If Lender at any time has possession of any Collateral, whether before or after an Event of Default, Lender shall exercise reasonable care in the custody and preservation of the Collateral and Lender shall take such action for that purpose as Grantors shall request, but failure to honor any request by Grantors shall not of itself be deemed to be a failure to exercise reasonable care. Lender shall not be required to take any steps necessary to preserve any rights in the Collateral against prior parties, nor to protect, preserve or maintain any security interest given to secure the Indebtedness.

LENDER'S EXPENDITURES. If any action or proceeding is commenced that would materially affect Lender's interest in the Collateral, or at any time after the occurrence of and during the continuation of an Event of Default, Lender on Grantors' behalf may (but shall not be obligated to) take any action that Lender deems appropriate in its reasonable discretion, including but not limited to discharging or paying all taxes, liens, security interests, encumbrances and other claims, at any time levied or placed on the Collateral and paying all costs for insuring, maintaining, and preserving the Collateral. All such expenditures incurred or paid by Lender for such purposes will then bear interest at the highest rate charged under the Notes (including at any time after the occurrence of and during the continuation of an Event of Default the Default Rate) from the date incurred or paid by Lender to the date of repayment by Grantors. All such expenses will become a part of the Indebtedness and, at Lender's option, will (A) be payable on demand; (B) be added to the balance of the Notes and be apportioned among and be payable with any installment payments to become due during either (1) the term of any applicable insurance policy; or (2) the remaining term of the Notes; or (C) be treated as a balloon payment which will be due and payable at the Note's maturity. The Agreement also will secure payment of these amounts. Such right shall be in addition to all other rights and remedies to which Lender may be entitled upon Default.

DEFAULT. Each Event of Default as set forth in the Business Loan Agreement shall constitute an Event of Default under this Agreement.

RIGHTS AND REMEDIES ON DEFAULT. At any time after the occurrence of and during the continuation of an Event of Default under this Agreement, Lender shall have all the rights of a secured party under the Ohio Uniform Commercial Code. In addition and without limitation, Lender may exercise any one or more of the following rights and remedies:

Accelerate Indebtedness. Lender may declare the entire Indebtedness, immediately due and payable, without notice of any kind to Grantors.

Assemble Collateral. Lender may require Grantors to deliver to Lender all or any portion of the Collateral and any and all certificates of title and other documents relating to the Collateral. Lender may require Grantors to assemble the Collateral and make it available to Lender at a place to be designated by Lender. Lender also shall have full power to enter upon the property of Grantors to take possession of and remove the Collateral. In the event that the Collateral is not segregated from property which is not secured by this Agreement, or if such property is not identifiably distinct from the Collateral, Lender may take such other property, provided that Lender notifies the Grantors and makes reasonable efforts, with the cooperation of Grantors, to identify such property which is not part of the Collateral and to return such property to Grantors.

Sell the Collateral. Lender shall have full power to sell, lease, transfer, or otherwise deal with the Collateral or proceeds thereof in Lender's own name or that of Grantor. Lender may sell the Collateral at public auction or private sale. Unless the Collateral threatens to decline speedily in value or is of a type customarily sold on a recognized market, Lender will give Grantors, and other persons as required by law, reasonable notice of the time and place of any public sale or the time after which any private sale or any other disposition of the Collateral is to be made. The requirements of reasonable notice shall be met if such notice is given at least ten (10) days before the time of the sale or disposition. All expenses relating to the disposition of the Collateral, including without limitation the expenses of retaking, holding, insuring, preparing for sale, and selling the Collateral, shall become a part of the Indebtedness secured by this Agreement and shall be payable on demand with interest at the default interest rate applicable under the Note from date of expenditure until it is repaid.

Appoint Receiver. Lender shall have the right to have a receiver of its choosing appointed to take possession of all or any part of the Collateral, with the power to protect and preserve the Collateral, to operate the collateral preceding foreclosure or sale, and to collect the rents from the Collateral and apply the proceeds, over and above the cost of the receivership, against the Indebtedness. The receiver may serve without bond if permitted by law. Lender's right to the appointment of a receiver shall exist whether or not the apparent value of the Collateral exceeds the Indebtedness by a substantial amount.

Collect Revenues, Apply Accounts. Lender either itself or through a receiver, may collect the payments, rents, income, and revenues from the Collateral. Lender may at any time in Lender's discretion transfer Collateral into Lender's own name or that of Lender's nominee and receive the payments, rents, income, and revenues therefore and hold the same as security for the Indebtedness or apply it to payment of the Indebtedness in such order of preference as Lender may determine. Insofar as the Collateral consists of accounts, general intangibles, insurance policies, instruments, chattel paper, choses in actions, or similar property, Lender may demand, collect, receipt for, settle, compromise, adjust, sue for, foreclose, or realize on the Collateral as Lender may determine. For these purposes, Lender may, on behalf of and in the name of Grantors, receiver, open and dispose of mail addressed to Grantors; change any address to which mail and payments are sent; and endorse notes, checks, drafts, money orders, documents of title, instruments, and items pertaining to payment, shipment, or storage of any Collateral. To facilitate collection, Lender may notify account debtors and obligors on any Collateral to make payments directly to Lender.

Obtain Deficiency. If Lender chooses to sell any or all of the Collateral, Lender may obtain a judgment against Grantors for any deficiency remaining on the Indebtedness due to Lender after application of all amounts received from the exercise of the rights provided in this Agreement. Grantors shall be liable for a deficiency even if the transaction described in this subsection is a sale of accounts or chattel paper.

Other Rights and Remedies. Lender shall have all the rights and remedies of a secured creditor under the provisions of the Uniform Commercial Code, as may be amended from time to time. In addition, Lender shall have and may exercise any or all other rights and remedies it may have available at law, in equity, or otherwise.

Election of Remedies. Except as may be prohibited by applicable law, all of Lender's rights and remedies, whether evidenced by his Agreement, the Loan Documents, or by any other writing, shall be cumulative and may be exercised singularly or concurrently. Election by Lender to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or to take action to perform an obligation of Grantors under this Agreement, after Grantors' failure to perform, shall not affect Lender's right to declare a default and exercise its remedies.

Commercial Reasonableness. To the extent that any applicable law imposes duties on Lender to exercise remedies in a commercially reasonable manner, each Grantor acknowledges and agrees that it is not commercially unreasonable for Lender (i) to fail to incur expenses reasonably deemed significant by Lender to prepare the Collateral for disposition or otherwise to complete raw material or work in process into finished goods or other finished products for disposition, (ii) to fail to obtain third party consents for access to Collateral to be disposed of, or to obtain or, if not required by other law, to fail to obtain governmental or third party consents for the collection or disposition of the Collateral to be collected or disposed of, (iii) to fail to exercise collection remedies against customers or other persons obligated on the Collateral or to remove liens on or any adverse claims against the Collateral, (iv) to exercise collection remedies against customers and other persons obligated on the Collateral directly or through the use of collection agencies and other collection specialists, (v) to advertise dispositions of the Collateral through publications or media of general circulation, whether or not the Collateral is of a specialized nature, (vi) to contact other persons, whether or not in the same business as any Grantor, for expressions of interest in acquiring all or any portion of such Collateral, (vii) to hire one or more professional auctioneers to assist in the disposition of the Collateral, whether or not the Collateral is of a specialized nature, (viii) to dispose of Collateral by utilizing internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capacity of doing so, or that match buyers and sellers of assets, (ix) to dispose of assets in wholesale rather than retail markets, (x) to disclaim disposition warranties, such as title, possession or quiet enjoyment, (xi) to purchase insurance or credit enhancements to insure Lender against risks of loss, collection or disposition of the Collateral or to provide to Lender a guaranteed return from the collection or disposition of the Collateral, or (xii) to the extent deemed appropriate by Lender, to obtain the services of other brokers, investment bankers, consultants and other professionals to assist Lender in the collection or disposition of any of the Collateral. Without limitation upon the foregoing, nothing contained in this paragraph shall be construed to grant any rights to any Grantor or to impose any duties on Lender that would not have been granted or imposed by this Agreement or by applicable law in the absence of this paragraph.
