CONFIRMATORY PATENT ASSIGNMENT

This Confirmatory Patent Assignment confirms the transfer on or about September 8-9, 2008, from Jacob Borgman and Karen Stark (individually, "Assignor" and collectively, "Assignors"), to Digital Infuzion, Inc., at 656 Quince Orchard Road, Suite 300, Gaithersburg, MD 20878 ("Assignee"), of the Assignor's ownership and interests in U.S. Patent Provisional Application No. 61/095,731, filed September 10, 2008, as well as all patents and any applied for or granted U.S. or foreign application (filed under any International Agreement, Treaty or Convention for the protection of Intellectual Property) claiming priority to said provisional application including, without limitation, all original (first filed, divisional, continuation and/or continuation-in-part), reexamination and extensions thereof, substitute or reissue applications and all rights for past infringement.

For purposes of clarity, it is noted that such additional patents and patent applications, include, without limitation:

- U.S. Patent No. 8,386,401, issued on February 26, 2013;
- U.S. Patent No. 9,082,083, issued on July 14, 2015;
- U.S. Patent Application No. 14/732,357, filed on June 5, 2015; and
- PCT/US2009/056531, filed September 10, 2009.

NOW, THEREFORE, in consideration of the valuable consideration stated herein, the receipt of which is hereby acknowledged, Assignors hereby confirm having assigned, transferred, conveyed, and delivered to the Assignee, its successors and assigns, the entire right, title and interest for the patents and patent applications and for all original, divisional, continuation, continuation-in-part, substitute or reissue applications and patents applied for or granted therefor in the United States and all other countries, including all rights of priority from the filing of the patents and patent applications, and all rights for past infringement, and the Commissioner of Patents and Trademarks is hereby authorized and requested to issue all patents on said inventions or resulting therefrom to the Assignee herein, as assignee of the entire interest therein; and the Assignor, heirs and assigns do hereby agree and covenant without further remuneration, to execute and deliver all divisional, continuation, reissue and other applications for patent and all assignments thereof to the Assignee or its assigns, to communicate to the Assignee or its representatives all facts known to the undersigned respecting said inventions, whenever requested, to testify in any interferences or other legal proceedings in which any of the Patents and Patent Applications or patents may become involved, to sign all lawful papers, make all rightful oaths, and to do generally everything necessary to assist the Assignee, its successors, assigns and nominees to obtain patent protection for said invention in the United States and all other countries, the expenses incident to said applications to be borne and paid by the Assignee.
