ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, I,

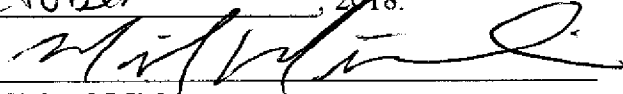

Michael Miskin of Sleepy Hollow, Illinois

hereby, sell, assign and transfer to **Lynk Labs, Inc.** having a place of business at 2511 Technology Drive, Suite 108, Elgin, IL, 60123, its successors and assigns, the entire right, title and interest throughout the world in my invention in

AC LIGHT EMITTING DIODE AND AC LED DRIVE METHODS AND APPARATUS

for which was filed a United States Patent Application on **October 25, 2016**, having Application No. **15/334,029**, and all patent applications and patents of every country for said invention, including divisions, reissues, continuations and extensions thereof, and all rights of priority resulting from the filing of said applications; I authorize the above-named assignee to apply for patents of foreign countries for said invention, and to claim all rights of priority without further authorization from us; we agree to execute all papers useful in connection with said United States and foreign applications, and generally to do everything possible to aid said assignee, their successors, assigns and nominees, at their request and expense, in obtaining and enforcing patents for said invention in all countries; and I request that the United States Patent and Trademark Office issue all patents granted for said invention to the above-named assignee, its successors and assigns.

Executed this 17 day of October, 2018.

Michael Miskin

ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, we,

Theresa Marie Andersen, a citizen of the United States of America and residing at Northlake, Illinois,

James Norman Andersen, Jr., a citizen of the United States of America and residing at Glendale Heights, Illinois, and

Robyn Theresa Rinaldi, a citizen of the United States of America and residing at La Grange, Illinois,

hereby represent that we are heirs and legal representatives of James N. Andersen (a citizen of the United States of America, now deceased, previously residing at Elgin, Illinois). We hereby, sell, assign, and transfer to Lynk Labs, Inc., having a place of business at 2511 Technology Drive, Elgin, Illinois 60124, its successors and assigns, the entire right, title, and interest throughout the world in all intellectual property developed by James N. Andersen in connection with any and all of his work associated with Lynk Labs, Inc. while employed thereby and/or otherwise associated therewith.

Such intellectual property includes but is not limited to all patent applications and patents of every country for all inventions, including provisional applications, utility applications, design applications, divisional applications, reissue applications, continuation applications, continuation-in-part applications, and extensions thereof, and all rights of priority resulting from the filing of said applications; we authorize the above-named assignee to apply for patents of foreign countries for said inventions, and to claim all rights of priority without further authorization from us; we agree to execute all papers useful in connection with said United States and foreign applications, and generally to do everything possible to aid said assignee, their successors, assigns, and nominees, at their request and expense, in obtaining and enforcing patents for said inventions in all countries; and we request that the United States Patent and Trademark Office issue all patents granted for said inventions to the above-named assignee, its successors, and assigns.

Executed this 22nd day of September, 2018.
