INVENTION AND PATENT ASSIGNMENT

WHEREAS, Amos Spalter, of Miami, Florida, (hereinafter "ASSIGNOR"), is the inventor of the invention entitled "HEAD AND NECK SUPPORTING TRAVEL CUSHION" ("the Invention") as described in non-provisional U.S. Application No. 14/525,362, Patent No. 9,434,283 ("the '362 Application"); and

WHEREAS, Danami LLC, a Florida corporation having a place of business at 1048 NE 203rd Lane, Miami, Florida 33179 (hereinafter "ASSIGNEE") is desirous of acquiring the entire right, title and interest in and to the Invention throughout the world from the ASSIGNOR, and all right, title and interest in, to and under said non-provisional US Application from the ASSIGNOR.

NOW, THEREFORE, in exchange for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged:

ASSIGNOR hereby sells, assigns and transfers unto said ASSIGNEE, the entire right, title and interest in and to said Invention, any patent applications that have been or may be filed for said Invention including but not limited to the '362 Application, and any and all letters patent which may be granted for said Invention in the United States of America and its territorial possessions and in any and all foreign countries, and in any and all divisions, reissues, continuations and continuations-in-part thereof, including the right to file foreign applications directly in the name of ASSIGNEE and to claim priority rights deriving from any United States application to which said foreign applications are entitled by virtue of international convention, treaty or otherwise, said Invention, any application and all letters patent on said Invention to be held and enjoyed by ASSIGNEE and its successors and assigns as fully and entirely as the same would have been held and enjoyed by ASSIGNOR had this assignment, transfer and sale not been made.

ASSIGNOR agrees at any reasonable time, upon request, to execute and deliver all instruments and documents required for the making and prosecution of applications for United States and foreign letters patent on said Invention, for litigation regarding said letters patent, or for the purpose of protecting title to said Invention or letters patent therefore to ASSIGNEE, its successors, assigns, or other legal representatives.

ASSIGNOR further covenants to ASSIGNEE, its successors, assigns, or other legal representatives that if ASSIGNEE, its successors, assigns or other legal representatives shall desire to file any divisional, continuation or continuation-in-part applications or to secure a reexamination or reissue of any Letters Patent related to the Invention, or to file a disclaimer relating thereto, ASSIGNOR will upon request, sign all papers, make all rightful oaths and do all lawful acts requisite for the filing of such divisional, continuation or continuation-in-part application, or such application for reissue and the procuring thereof, and for the filing of a disclaimer, without further compensation. ASSIGNOR further covenants and agrees, at any reasonable time upon request, to communicate to ASSIGNEE, its successors, assigns or other legal representatives, such facts relating to said Invention and letters patent or the file history thereof as may be known to us, and testify as to the same in any interference or other litigation when requested so to do, without further compensation.

EXECUTED THIS 29th day of May, 2019
