For good and valuable consideration, I do hereby sell, assign, and transfer to Cornelius, Inc. ("**Assignee**"), a Minnesota corporation, located and doing business at 380 Jackson Street, Suite 700, St. Paul, Minnesota 55101, and to its legal representatives, successors, and assigns, my entire right, title, and interest in and to the Invention and to all United States and foreign patent applications any of whose claims cover all or part of the Invention together with the right of priority thereto, to any prior or provisional application, including any application from which priority is claimed and the right of priority thereto, together with all patents resulting from such applications including any utilities, continuations, divisions, reissues, re-examinations and extensions thereof and any applications claiming priority therefrom.
