Worldwide Assignment

WHEREAS, I/We, Scott Ferrill Tibbitts, Franklin Tai, Ruel Coe Mercure, and Jafar Nabkel, have made an invention entitled METHOD AND SYSTEM FOR CONTROLLING A MOBILE COMMUNICATION DEVICE for which I/We have filed an application for Letters Patent of the United States on June 23, 2016, under Application No. 15/191,286, and

WHEREAS, Katasi LLC ("ASSIGNEE"), a corporation or other business entity duly registered in the State/Country of Colorado, whose postal address is 7237 Spring Creek Circle, Niwot, CO 80503, desires to acquire the entire right, title, and interest in and to the invention(s) disclosed in the above-identified application, the application itself, and any Letters Patent to be granted for the invention(s) in the United States and in all foreign countries;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) paid to me/us by ASSIGNEE, and other good and valuable consideration, the receipt and sufficiency of which I/We acknowledge, I/We hereby sell, assign, transfer, and set over unto ASSIGNEE, its successors, legal representatives, and assigns, the entire right, title, and interest in and to each of the invention(s), the application, all applications claiming benefit of the application, including, but not limited to, each divisional, continuation and continuation-in-part of the application, and all Letters Patent, Utility Models, Extension and other patent rights, that may be granted thereon in the United States, and in all foreign countries, and all reissues and reexaminations thereof, together with the right to claim priority under each applicable International Convention in all member countries; and I/We authorize and request the Director of Patents and Trademarks to issue all Letters Patent for the invention(s) to ASSIGNEE, its successors, legal representatives, and assigns in accordance with the terms of this Assignment;

AND I/We covenant and agree that I/We have the full right to convey the entire right, title, and interest herein assigned, and that I/We have not executed and will not execute any assignment or other instrument in conflict with this Assignment;

AND I/We further covenant and agree that upon request by ASSIGNEE, its successors, legal representatives, and/or assigns, and without further consideration, I/We will do all lawful acts that may be necessary or desirable to assist ASSIGNEE, its successors, legal representatives, and/or assigns to obtain and enforce patent protection for the invention(s) in the United States and in all foreign countries, including, but not limited to, communicate with ASSIGNEE, its successors, legal representatives, and/or assigns any facts known to me/us regarding the invention(s), testify in any legal proceeding, sign all lawful papers, execute and deliver all papers that may be necessary or desirable to perfect the title to the invention(s) in ASSIGNEE, its successors, legal representatives, and/or assigns, execute all divisional, continuation, continuation-in-part, reissue and reexamination applications, and make all rightful oaths; it being understood that any expense incident to the rendering of such assistance will be borne by ASSIGNEE, its successors, legal representatives, and/or assigns;

AND I/We further hereby authorize ASSIGNEE, or its attorneys or agents, to insert the correct Application Number and Filing Date into this Assignment, if none is indicated on that date of my/our execution of this agreement.

This assignment may be executed in counterparts, and said counterparts being deemed as original assignment documents collectively.

IN WITNESS WHEREOF, I/We have executed this Assignment on the date(s) indicated below.
