ASSIGNMENT BY INVENTORS

THIS ASSIGNMENT, made this 18 day of June, 2019 by Melissa Siladji (hereinafter referred to as Assignor), with an address of 1313 Spruce Ave., Voorhees, NJ 08043;

WHEREAS, Assignor has invented certain new and useful improvements in a **PERSONAL FLOATATION DEVICE**, set forth in a Patent Application for Letters Patent of the United States, already filed on August 29, 2018 as U.S. Application No. 16/116,268; and

WHEREAS, Jason A. Pascale and David J. Pascale., residing at 62 Hawks Schoolhouse Road, Bloomsbury, NJ 08804 and 910 Berrier Rd., Lexington, NC 27295, respectively (hereinafter referred to as Assignees), are desirous of acquiring a partial interest in the right and title in and to said inventions and said Application for Letters Patent of the United States, and in and to any Letters Patent of the United States to be obtained therefore and thereon.

NOW, THEREFORE, for good and sufficient consideration, the receipt of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto Assignees, their successors, legal representatives and assigns, a **16.66 %** interest, divided evenly between Assignees, in and to the right and title in and to the above-mentioned inventions and application for Letters Patent, and in and to any and all direct and indirect divisionals, continuations and continuations-in-part of said application, and any and all Letters Patent in the United States and all foreign countries which may be granted therefore and thereon, and reissues, reexaminations and extensions of said Letters Patent, and all rights under the International Convention for the Protection of Industrial Property.

AND for the same consideration, Assignor hereby represents and warrants to Assignees, their successors, legal representatives and assigns, that, at the time of the execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignees under law or that have already been transferred to Assignees, Assignor is a 50% owner of the right, title and interest in and to the said inventions and application for Letters Patent above-mentioned, and that the same are unencumbered and that Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

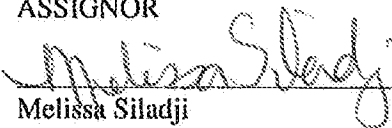

AND Assignees hereby acknowledge and accept receipt of said interest of Assignor's rights and title in and to the above-mentioned invention(s), said Application for Letters Patent and any and all Letters Patent in the United States and all foreign countries which may be granted therefore and thereon from said International Application.

AND Assignor hereby grants the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademarks Office for recordation of this document:
