ASSIGNMENT

WHEREAS, we, Jian Huang, of Corvallis, OR, Anlong Li, of Corvallis, OR, and Kaichang Li, of Corvallis, OR, have invented a certain invention, entitled PRESSURE-SENSITIVE ADHESIVES FROM PLANT OIL-BASED POLYOLS, as described in U.S. Provisional Patent Application No. 62/435,594, filed on December 16, 2016, entitled "PRESSURE SENSITIVE ADHESIVES FROM PLANT OIL-BASED POLYOLS," which application is referred to as "the patent application."

WHEREAS, Oregon State University, a university organized under the laws of the State of Oregon, having a place of business at Office for Commercialization and Corporate Development, 312 Kerr Administration Building, Corvallis, OR, 97331, owns an interest therein and wishes to record that interest with the United States Patent and Trademark Office:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we, Jian Huang, Anlong Li, and Kaichang Li, hereby sell, assign, and transfer to Oregon State University, the full and exclusive right, title, and interest in and to said invention, patent application, and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute International Applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; said invention, patent application, and letters patent in this or any foreign country, and all corresponding non-provisional applications, divisions, continuations, continuations-in-part, reissues, and extensions thereof, to be held and enjoyed by Oregon State University, for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent may be granted by the United States or any foreign country, as fully and entirely as the same would have been held by us had this assignment and sale not been made, and covenant that we have full right so to do, and agree that we will communicate to Oregon State University, or its successors and assigns, any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, and reissue applications, make all rightful oaths, and do everything possible to aid Oregon State University, its successors, and assigns to obtain and enforce proper patent protection for said invention in the United States

or any foreign country.

We confirm that, at the time the invention was made, we were under an obligation to assign the invention to Oregon State University.

We hereby grant the law firm of Klarquist Sparkman, LLP, the power to insert on this Assignment any further information that may be necessary or desirable in order to comply with all applicable legal requirements, including the rules of the United States Patent and Trademark Office, for submitting and recording this document.
