ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, the undersigned, **Clariant Finance (BVI) Limited** ("Assignor"), hereby sells, and assigns, and transfers, effective this day, its entire and exclusive right, title, and interest in the following to **NXP USA, Inc.**, a Delaware corporation having a place of business at 6501 William Cannon Drive West, Austin, Texas, 78735, the United States, its successors and assigns ("*Assignee*");

U.S. Patent No. 6,372,414, granted April 16, 2002 (having been filed as U.S. patent appln. no. 09/268,438 on March 12, 1999); and

all rights in and to said patent, and all other United States, foreign and international patent applications and patents associated therewith, based thereon, or claiming priority therefrom including, but not limited to, any and all provisionals, non-provisionals, divisions, continuations, continuations-in-part, reexaminations, reissues, and extensions thereof, and the right to claim priority thereto, and the entire and exclusive right, title, and interest in and to any and all patents granted on those applications.

**Assignor** further authorizes and requests the Patent Office officials in the United States and in any and all foreign countries to issue any and all Letters Patent when granted, solely to **NXP USA, Inc.** for its sole use, and that of its successors, assigns, and legal representatives.

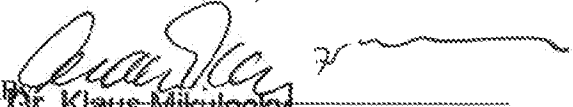

**Assignor** further covenants and agrees to provide its cooperation to enable the **Assignee** to enjoy the foregoing right, title, and interest to the fullest extent. Upon request at the expense of the **Assignee**, **Assignor** agrees to execute all papers, take all rightful oaths, testify in all legal proceedings including patent prosecutorial actions and infringement actions, and do all other such acts which may be necessary, desirable, or convenient for securing and maintaining patents on the foregoing invention or for perfecting title thereto in the **Assignee**.

**Assignor** also hereby transfers unto the **Assignee**, its successors, assigns, and legal representatives, all claims for damages by reason of past infringement of said patent and any patents based in whole or part upon said patent, the right to sue for and collect the same for its own use and for the use and enjoyment of their successors, legal representatives or other assigns and does hereby assign and set over unto **Assignee**, its successors and assigns all such claims and rights.

The individual signing this document on behalf of **Assignor** certifies that s/he has the full right and authority to convey the above rights on behalf of the **Assignor**.
