NUNC PRO TUNC ASSIGNMENT

Coorstek Fluorochemicals, Inc. to Ultra-Charge, Ltd.

For valuable consideration, we, Coorstek Fluorochemicals, Inc., a Delaware Corporation, having a place of business at: 14143 Denver West Parkway, Suite 400, Golden, Colorado, 80401, USA, hereby assign to: Ultra-Charge, Ltd. Ultra-Charge, Ltd., an Israeli Corporation, having a place of business at: 32 HaShemesh, Caesarea 3088900, Israel; and its successors and assigns (collectively hereinafter called "the Assignee"), effective as of October 30, 2017, the entire right, title and interest throughout the world in the Intellectual Property owned by Coorstek Fluorochemicals, Inc., including inventions and improvements which are subject of the applications and issued patents listed in Exhibit A, including any continuations, divisionals, reissues, reexaminations, and extensions thereof and any and all United States and foreign patents, utility models, and design registrations granted for any of said inventions or improvements, and the right to claim priority based on the filing date of said applications or patents under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and we authorize the Assignee to apply in all countries in our name or in its own name for patents, utility models, design registrations and like rights of exclusion and for inventors' certificates for said inventions and improvements; and we agree for ourselves and our respective heirs, legal representatives and assigns, without further compensation to perform such lawful acts and to sign such further applications, patents, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment. Assignor further perpetually, irrevocably, and unconditionally assigns, transfers, and conveys to Assignee and its successors and assigns all claims for past, present and future infringement or misappropriation of the intellectual property rights, including all rights to sue for and to receive and recover all profits and damages for past infringement accruing from an infringement misappropriation of Intellectual Property listed in Exhibit A prior to the Effective Date as well as the right to grant releases for past infringements.
