ATTACHMENT B1  
ASSIGNMENT

WHEREAS, BlackRidge Technology Holdings, Inc., a Delaware corporation having offices at 5390 Kietzke Lane, Suite 104, Reno, Washoe County, Nevada 89511 (HOLDINGS), owns, by assignment, all right, title, and interest in U.S. Patent No. 6,973,496, entitled "Concealing a Network Connected Device", and any invention claimed therein; and

BlackRidge Research, Inc., a Nevada corporation having offices at 400 Panamint Road, Reno, Storey County, Nevada 89521 (RESEARCH), desires to own HOLDINGS's entire right, title, and interest in and to the invention, in all countries throughout the world, and in and to U.S. Letters Patent No. 6,973,496.

NOW THEREFORE, be it known that, for good and valuable consideration, receipt of which is hereby acknowledged, HOLDINGS hereby sells, assigns, transfers, and sets over to RESEARCH, its lawful successors and assigns, HOLDINGS's entire right, title, and interest in and to U.S. Patent No. 6,973,496, the invention claimed therein, any other patent application directed to the invention, and all Letters Patent of the United States that may be granted thereon, and all reissues, reexaminations, and extensions thereof; and all rights to claim priority on the basis of such application, and all applications for Letters Patent that may be filed for the invention in any foreign country and all Letters Patent that may be granted on the invention in any foreign country, and all extensions, renewals, and reissues thereof; and HOLDINGS hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to RESEARCH, its successors and assigns, in accordance with the terms of this Assignment;

AND, HOLDINGS HEREBY further covenants that HOLDINGS has the full right to convey the interest assigned by this Assignment, HOLDINGS will take all action and execute all documents necessary to perfect the interest assigned hereby, and HOLDINGS has not executed and will not execute any agreement in conflict with this Assignment;

AND, HOLDINGS HEREBY further covenants and agrees that HOLDINGS, through its officers and employees, will, without further consideration, communicate with RESEARCH, its successors and assigns, any facts known to HOLDINGS and its officers and employees respecting the invention and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver all papers that may be necessary or desirable to perfect the title to the invention in said RESEARCH, its successors and assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths, and generally do everything possible to aid RESEARCH, its successors and assigns, to obtain and enforce proper patent protection for the invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by RESEARCH, its successors and assigns.

IN TESTIMONY WHEREOF, each party has caused its authorized representative to execute this Assignment.
