### ASSIGNMENT AGREEMENT

Jeffrey Lee, Michael Jones, Federici Calero, Trevor Calero, Devin Miller, and David Miller ("the Inventors"), have filed a U.S. Patent Application directed to U.S. Patent Application Serial No. 16365340 ("the Invention"); and Halo Wearables, LLC ("the Assignee") seeks to acquire an interest in the Invention and in all foreign and domestic patents and patent applications, including divisions, continuations, reissues, substitutions, and extensions thereof, directed to the Invention ("the Intellectual Property");

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Inventor sells, assigns, and transfers to the Assignee, its successors and assigns, the full and exclusive right to the Intellectual Property.

The Inventor authorizes and requests the Patent Office officials in the United States and any and all foreign countries to issue any and all patents directed the Invention, when granted, to the Assignee for the sole use of the Assignee and its successors and assigns.

Further, the Inventor declares that he is the sole and lawful owner of the entire right, title, and interest in and to the rights assigned in connection with the Invention and with the above-identified patent application, and that the same are unencumbered. The Inventor declares that he has full right and lawful authority to sell and convey the same in the manner herein set forth.

Further, the Inventor agrees that he will communicate to the Assignee, or its representatives, any facts known respecting the Invention, and to testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, reissue, substitution, and extension applications, execute all necessary assignment papers to cause any and all of patents directed to the Invention to be issued to the Assignee, to make all rightful oaths, and to generally do everything possible to aid the Assignee, and its successors and assigns, to obtain and enforce proper protection for the Invention in the United States and in any and all foreign countries.
