It is agreed as follows.

1 Definitions and interpretation

1.1 Definitions

In this Agreement, the following capitalised term shall have the meaning set out below:

"**Patents**" means the patents and applications for patents set out in the Schedule to this Agreement.

1.2 Interpretation

In this Agreement, unless otherwise specified:

- 1.2.1 references to this Agreement shall include any Recitals and the Schedule to it and references to Recitals, Clauses and Schedule are to clauses of, and recitals and the schedule to, this Agreement;
- 1.2.2 references to a statute or statutory provision include that statute or provision as modified, re-enacted or consolidated from time to time;
- 1.2.3 a reference to any English legal term shall, for any jurisdiction other than England, be construed as a reference to the term or concept which most nearly corresponds to it in that jurisdiction;
- 1.2.4 headings shall be ignored in interpreting this Agreement; and
- 1.2.5 the words "including", "include", "in particular", and words of similar effect shall not be deemed to limit the general effect of the words that precede them.

2 Assignment

- 2.1 In consideration of the sum of US\$10.00, the receipt and sufficiency of which is hereby acknowledged by the Assignor, the Assignor hereby assigns to the Assignee all of its right, title and interest in and to the Patents, including:

- 2.1.1 in respect of each patent application comprised within the Patents, the right to prosecute to grant and obtain any patent or similar protection deriving from, any such application;
- 2.1.2 in respect of any invention disclosed in the Patents, the right to make patent applications, including divisionals, and claim priority from, prosecute to grant and obtain patent or similar protection deriving from, any such invention, anywhere in the world

3 Further Assurance

At the request and cost of the Assignee, the Assignor shall execute such documents and do such acts and things as the Assignee may reasonably require for the purpose of giving the Assignee the full benefit of this Agreement.

4 Invalidity

- 4.1 If any provision in this Agreement shall be held to be illegal, invalid or unenforceable, in whole or in part, the provision shall apply with whatever deletion or modification is necessary so that the provision is legal, valid and enforceable and gives effect to the commercial intention of the parties.
- 4.2 To the extent it is not possible to delete or modify the provision, in whole or in part, under Clause 4.1, then such provision or part of it shall, to the extent that it is illegal, invalid or unenforceable, be deemed not to form part of this Agreement and the legality, validity and enforceability of the remainder of this Agreement shall, subject to any deletion or modification made under Clause 4.1, not be affected.

5 Third party rights

The parties do not confer any rights or remedies under this Agreement upon any person other than the parties and their respective successors and permitted assigns.

6 Whole Agreement

This Agreement contains the whole agreement between the Assignor and the Assignee relating to the subject matter of this Agreement at the date of this Agreement, to the exclusion of any terms implied by law which may be excluded by contract, and supersedes any previous written or oral agreement between the Assignor and the Assignee in relation to the matters dealt with in this Agreement. The Assignee agrees and acknowledges that, in entering into this Agreement, it is not relying on any representation, warranty or undertaking not expressly incorporated into it. Nothing in this Clause 6 excludes or limits any liability for fraud.

7 Counterparts

This Agreement may be entered into in any number of counterparts, all of which taken together shall constitute one and the same instrument. The Assignor and the Assignee may enter into this Agreement by executing any such counterpart.

8 Governing Law and jurisdiction

- 8.1** This Agreement and any non-contractual obligations arising out of or in connection with it shall be governed by the law of the State of Delaware.
- 8.2** Each party irrevocably agrees that the federal and state courts of the State of Delaware are to have exclusive jurisdiction to settle any dispute which may arise out of or in connection with this Agreement and that accordingly any proceedings arising out of or in connection with this Agreement shall be brought in such courts. Each party irrevocably submits to the jurisdiction of such courts and waives any objection to proceedings in any such court on the ground of venue or on the ground that the proceedings have been brought in an inconvenient forum.
