ASSIGNMENT OF PATENTS AND PATENT APPLICATIONS

FOR GOOD AND VALUABLE CONSIDERATION, the receipt and sufficiency of which is hereby acknowledged, POWER INTEGRATIONS SWITZERLAND GMBH ("Assignor") hereby assigns and transfers to POWER INTEGRATIONS LIMITED, a Cayman Islands corporation, having a principal place of business at 4th Floor Century Yard, Cricket Square, Elgin Avenue, Georgetown, P.O. Box 32322, Grand Cayman KY1-1209, Cayman Islands ("Assignee"), and its successors, assigns, and legal representatives, all right, title, and interest in and to any and all improvements that are disclosed in the issued patents and pending patent applications listed on the attached EXHIBIT A ("Assigned Patents") and all patents issuing on such pending patent applications and all legal equivalents thereof in any country, together with all invention(s), modification(s), and improvement(s) set forth therein, and all patents, utility models, and design registrations and like rights of exclusion and inventors' certificates granted for such invention(s) modification(s) and improvements throughout the world, and any and all continuations, continuations-in-part, divisionals, foreign counterparts, and renewals of, and substitutes for any of the foregoing and their equivalents in U.S. and/or foreign jurisdictions, all patents and patent applications claiming priority to or the benefit of said Assigned Patents, including patents and patent applications filed in the U.S. and/or foreign jurisdictions or under any international convention, any reissues, or reexaminations, or extensions of patents and patent applications granted from any of the above and their equivalents in any jurisdiction, and all the rights and privileges under any and all patents and patent applications above in any country including the right to sue and recover damages and any other remedies arriving from any present, future and past infringements of those patents and patent applications. Assignor requests that any and all patents issuing from said applications be issued to said Assignee, its successors assignees and legal representatives, or to such nominees as it may designate.

Assignor authorizes and empowers said Assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for said invention(s), modification(s) and improvement(s) filed by it or them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes, and to invoke and claim such right of priority without further written or oral authorization from Assignor.

Assignor hereby consents that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of said Assignee or nominee to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.
