has sold and assigned, and by these presents hereby sells and assigns, unto:

**GTECH Canada ULC**

a Canadian corporation having a place of business at 328 Urquhart Ave., Moncton, New Brunswick, Canada E1H 2R6, (hereinafter ASSIGNEE) and its successors and assigns, all right, title and interest in and to one or more inventions which are the subject of one or more patent applications as listed in the attached Schedule A;

in all countries worldwide, in and to any and all inventions or other improvements that are disclosed in and to the Subject Patent Application, and all other provisional, non-provisional, divisional, continuing, substitute, renewal, reissue and all other patent applications that have been or shall be filed in all countries worldwide on any of the application subject matter; and in and to all original and reissued patents that have been or shall be issued in all countries worldwide on the Subject Patent Application, and in and to all rights of priority resulting from the filing of the Subject Patent Application;

The inventors grant to said Assignee, its successors, assigns, nominees or other legal representatives, including its patent agents and attorneys, the power to insert on this assignment any further identification and information, to prepare any translation which may be necessary or desirable in order to place this document in compliance for recordation in any country and to correct any clerical error in this assignment.

Each of the undersigned hereby authorizes and requests all patent granting authorities worldwide to issue any and all such Letters Patent to said ASSIGNEE, its successors or assigns in accordance herewith;

Each of the undersigned hereby authorizes said ASSIGNEE to file patent applications in any or all countries for any or all of said inventions and discoveries on the Subject Patent Application in the name of the ASSIGNEE or otherwise as ASSIGNEE may deem advisable, under the International Convention or otherwise;

Each of the undersigned warrants and covenants that he has the full and unencumbered right to sell and assign the interests herein sold and assigned and that he has not executed and will not execute any document or instrument in conflict herewith;

Each of the undersigned further covenants and agrees he will communicate to said ASSIGNEE, its successors, legal representatives or assigns all information known to him relating to said invention or patent application and that he will execute and deliver any papers, make all rightful oaths, testify in any legal proceedings and perform all other lawful acts deemed necessary or desirable by said ASSIGNEE, its successors, legal representatives or assigns to perfect title to said invention and to said application including divisions and continuations thereof and to any and all letters patent which may be granted therefore or thereon, including reissues or extensions, in said ASSIGNEE, its successors, or assigns or to assist said ASSIGNEE, its successors, legal representatives or assigns in obtaining, reissuing or enforcing Letters Patent of any country worldwide for said invention;
